Lady Killer
34

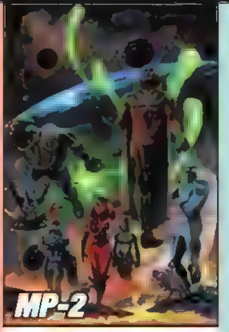
### Mrs. Mayhem!

Josie Schuller: Wife, Mother… Assassin for Hire. Joëlle Jones brings us *Lady Killer*, the original comedy series mixing early '60s domesticity with a morass of murder, paranoia, and ruthless survival!

DYING & DEAD
186

### Dying for Adventure!

High adventure meets end-of-life care in *The Dying and The Dead*, the new series from award-winning writer Jonathan Hickman and artist Ryan Bodenheim. It's "Indiana Jones for Old People" —no fedoras, just bedpans!



### Avengers: Re-Assembled!

From the ashes of *AXIS*… an all-new, all different *Avengers* assemble, courtesy of writer Rick Remender and artist Daniel Acuna! What is "Counter-Earth", and what terrible secrets does it house? Find out in "Counter-Evolutionary" Part 1!

## COVERstory

### SPAWN #250

**Image Comics**

This huge, triple-sized 250th Anniversary issue marks only the second time an independent comic book has reached such a lofty number! This issue marks the cataclysmic climax in the story of the current *Spawn*, and paves the way for the long-awaited return of the original *Spawn*… Al Simmons!

### SUPERMAN #38

**DC Comics**

A new year brings a new power and a new look for *Superman* from the epic team of Geoff Johns, John Romita Jr. and Klaus Janson in this extra-sized conclusion of their first story arc!

## In this issue: CLASSIC COMIC STRIPS!

CLASSIC COMIC STRIP REPRINTS

The earliest Comic Books collected the daily and Sunday comic strips of the day before turning to all-new material created specifically for the format. Many of those early comic strips are now considered some of the greatest examples of serial storytelling and sequential art. Names like Hal Foster, Winsor McCay, Burne Hogarth, Charles M. Schulz, Roy Crane, E.C. Segar, Lee Falk, George Herriman, and countless others have become legendary amongst collectors and enthusiasts, and these days, it's easier than ever to collect entire runs of some of these creators' most popular works. And that's where Previews steps in. It's "Classic Comic Strips" month, and we've got another stellar collection of hardcover and softcover collections of some of the art form's greatest comic strips offered this month, many available for immediate order through you local comic shop! Just look for this icon for the best in comic strip art!

## 373/FLIPSIDE MARCH BOOK TWO

The true story of the American Civil Rights Movement continues in Top Shelf Productions' *MARCH Book Two*, shipping in January 2015. This month, we're honored to once again speak with the creative team behind this powerful true story, co-writer Andrew Aydin, artist Nate Powell, and Rep. John Lewis. Our exclusive interview begins on page 373 of this issue, and concludes in the FlipSide section of this issue!

# GIVING THANKS (YEAR NINETEEN)

EDITOR'S note

Since becoming editor of ***PREVIEWS*** nineteen years ago, each year around this time, I have acknowledged those things in life for which I am most thankful. Everyone has their own things for which they're thankful, and these are mine… in no particular order.

I'm thankful for the great bunch of people that I work alongside here at ***PREVIEWS***, in an industry I love, as your monthly host. And these things too…

- I am *thankful*… for the opportunity to travel home each year and reconnect with family and friends in California, and to take my annual trip to Comic Con in San Diego with my best bud, Chris Cade! *Maaaaang!*
- I am *thankful*… for my West coast pals Chris, Dwayne, Rob, Ross, Mike, and J.W.!
- I am *thankful*… for my East coast pals Jeff, Tom, Dave, Marc, Mikey, Scott, Vince, and Michel!
- I am *thankful*… to all of you out there, our faithful readers, who make our work her each month worthwhile!

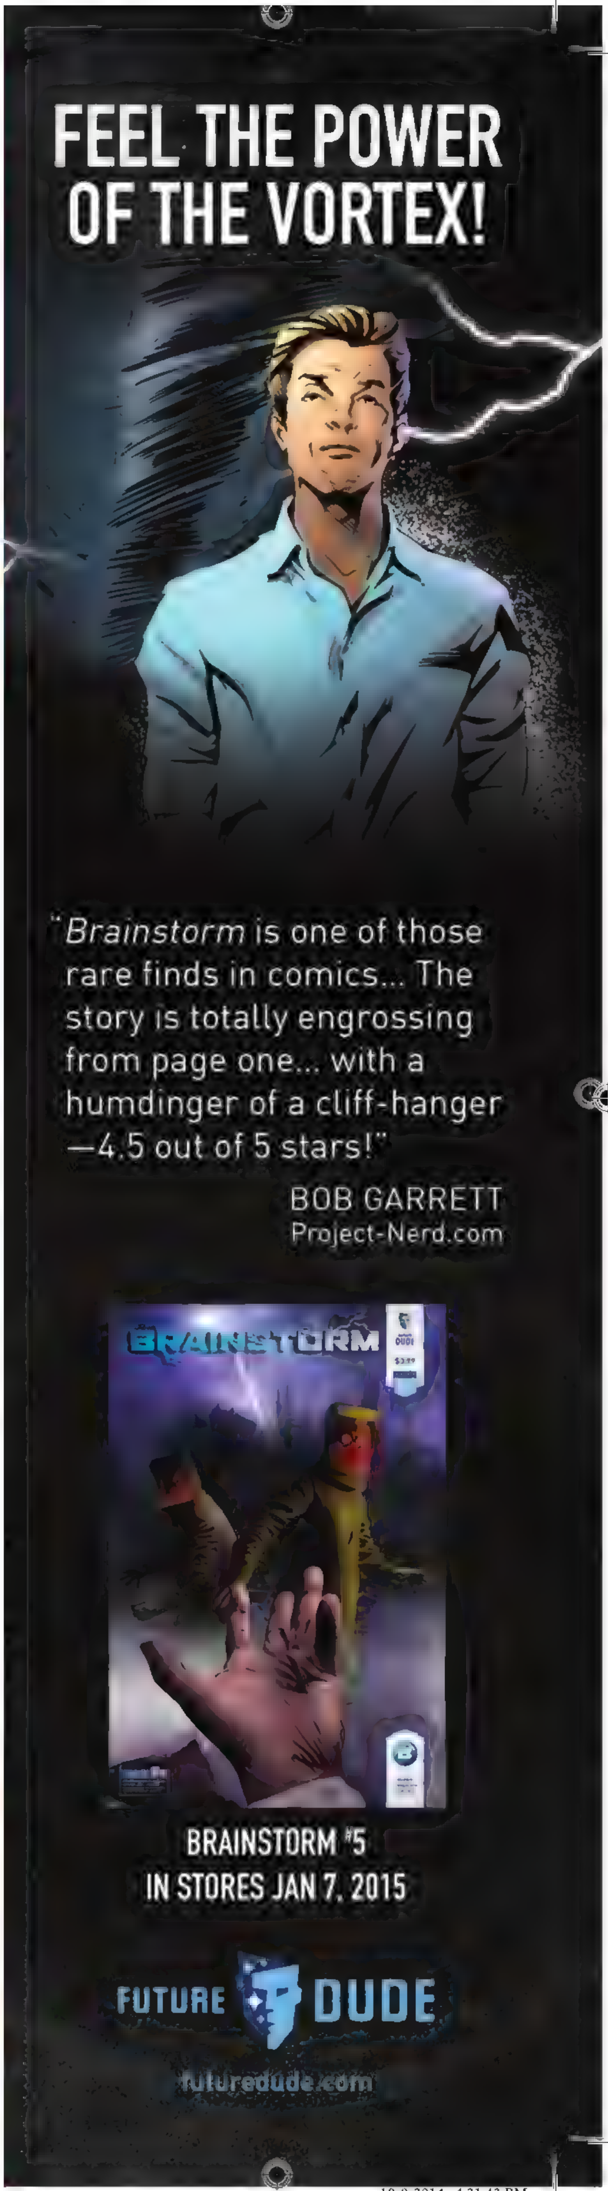
And finally, I am most thankful for my mom's ongoing (doing quite well!) recovery from knee replacement surgery this past summer. She's a real trooper and is already up and about again, and should be 100% by sometime next year.

So, wherever you may find yourself this month, Happy Thanksgiving to you and all of yours!

Your Pilgrim Pal
@ ***PREVIEWS***,

Marty

Happy Thanksgiving



FEEL THE POWER OF THE VORTEX!

## VARIANT PLAY ARTS KAI

### DRAGOON

(LIMITED COLOR VER.)

SRP: $130.00

AVAILABLE NOW

STK CODE 649759

THE HEROES OF FINAL FANTASY REIMAGINED BY PLAY ARTS KAI CRAFTSMANSHIP!

**DRAGOON (Limited Color Variant)**

The Dragoon is one of the most iconic roles in the FINAL FANTASY series, appearing in numerous titles within the franchise. Now we bring you a Dragoon with a brand-new look, re-imagined in the style of our Variant action figure line! His inner suit is embellished with the texture of a dragon's scales, and his outer armor has a smooth and streamlined design.

Wielding his spear with ease, the Dragoon's muscles are structured to have the resilience and movement befitting a knight who soars through the air like a dragon.

With the beautiful contrast of the outer armor's metallic sheen and the matte paintwork of the inner suit, this figure is sure to move the heart of collectors.

This special limited edition of our Dragoon Play Arts KAI has a unique color variant reminiscent of the heroes of some of our earliest and most beloved FINAL FANTASY titles! With his golden hair and armor, this color variant Dragoon is sure to be a coveted addition to any FINAL FANTASY fan and collector.

Figure includes accessory parts such as lance, sword, sheath, clawed sheath clasp, exchangeable hands and figure display stand.

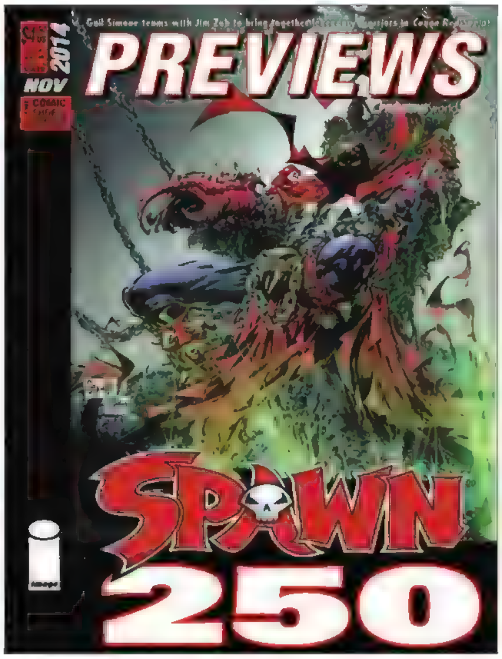
## What is *PREVIEWS*?



NOV 2014
PREVIEWS
SPAWN
250

***PREVIEWS*** is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

## How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

**1** **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

**2** **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

**3** **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

**Not sure where to find a local comic shop?**

## This month's featured creators is...

# CRAIG YOE

BOB POWELL'S TERROR
JACK COLE'S DEADLY HORROR

### Craig Yoe, please tell us about yourself!

With my partner Clizia Gussoni, I produce coffee table books for Yoe Books, an indie imprint of IDW. At Yoe Books we are now excitedly celebrating our 5th anniversary! It was five years ago that we put together a large-format deluxe book, *The Art of Ditko* (JAN130460), with its rare art, essays, and a fascinating introduction by Stan Lee. There have been many fun books since then! I've received some nice accolades from the media. David Colton, the executive editor of *USA Today*, called me, *"The comic book genre's master archeologist!"* ABC-TV said I was *"America's foremost comics historian!" Vice Magazine* touted me as the *"Indiana Jones of comic history."* I BLUSH!

I published a fanzine, "Yoessarian," on comics history nearly 50 years ago, so I've been passionate about comics for a long while. I did get distracted from comics when I was a minister, a nightclub owner, a toy designer, a Creative Director and Vice President General Manager for Jim Henson and his Muppets, a Creative Director for Disney and a Creative Director for Nickelodeon. But now I'm finally back into funny books!

### What are your favorite projects you've contributed to in past?

My fave books we've done are the five Ditko books (NOV120414) — I'm such a big fan! Then, there's the books in the *Chilling Archives of Horror Comics* like *Bob Powell's Terror* (AUG110387), *Howard Nostrand's Nightmares* (SEP140520), and *Dick Briefer's Frankenstein* (JUN100384).

We are now thrilled to be publishing books by other comic historians and designers, and look forward to more such partnerships. Mike Howlett wrote and collected all the comics for, and Jason Willis designed, *The Worst of Eerie Publications* (JUL140431). Mike Ambrose and Donnie Pitchford put together *Tom Sutton's Creepy Things* (OCT140569). These books are incredible!

I love our hilarious humor book *Milt Gross: The Complete Comic Books and Life Story*." We're stoked that we have unearthed the cartoonist's lost graphic novel, *Milt Gross' New York* (OCT140558), and that our reprint of this uber-rarity just came out with an intro by Jim Steranko!

*Comics About Cartoonists: Stories About the World's Oddest Profession* was the greatest book we've ever done or will ever do! But our proudest project was creating the superhero comic book "*The School of 5*." It teaches kids in impoverished countries to wash their hands to prevent upper respiratory and diarrheal diseases that take millions of young lives every year. The comic book is now published in 19 languages in 23 countries, and has the highest circulation of any comic in history — 20 million! This comic book is saving countless lives! It's the feel-good project of a lifetime!

### What are you currently working on?

At the time of this interview we're finishing up the hardback *Weird Love: You Know You Want It!* (OCT140568). This bat-poop-crazy book should be hitting all finer comic shops at just about the same time that this interview appears. We had so much fun doing this project! It's a compilation of the first three issues (with cool bonuses!) of our pamphlet-style comic book *Weird Love* (MAY140541), and features depraved, bizarro, so-bad-they're-good stories and so-good-it's-Good-Girl-Art from the wildest romance comics of the 1950s and '60s.

We're about to wrap-up *Reefer Madness Comics*, a book stuffed with nutzoid anti-marijuana comics of the 1940s and '50s. What were these cartoonists smoking?! *Reefer Madness Comics* will debut on 4:20 (the twentieth day of April) in a few months.

Speaking of Spinach... ARF! ARF!... we're always joyfully working away on our *"Bud" Sagendorf Popeye* collections (FEB108268)! Plus, we're honored to be working on a number of more life-saving comics! Superheroes battle tooth decay and germs from dirty toilets!

### What fun titles are you reading?

I drop everything when the new issue of Roy Thomas' *Alter-Ego* magazine from TwoMorrows hits my mailbox, along with the great tomes he's doing for PS Art Books. Roy has beat me to some reprint projects I wanted to do, but then all's fair in love and comics!

The Library of American Comics has produced a *Polly and Her Pals* book of Sunday comics that I treasure because Cliff Sterrett was a far out genius!

Mike Howlett wrote a brilliant history book for Feral House, *The Weird World of Eerie Publications: Comic Gore That Warped Millions of Young Minds*, that inspired me to get him to do the book for us, *The Worst of Eerie Publications*. This "worst" book compiles the BEST of the actual comics that must be causing Dr. Fredric Wertham to spin in his grave, yo!

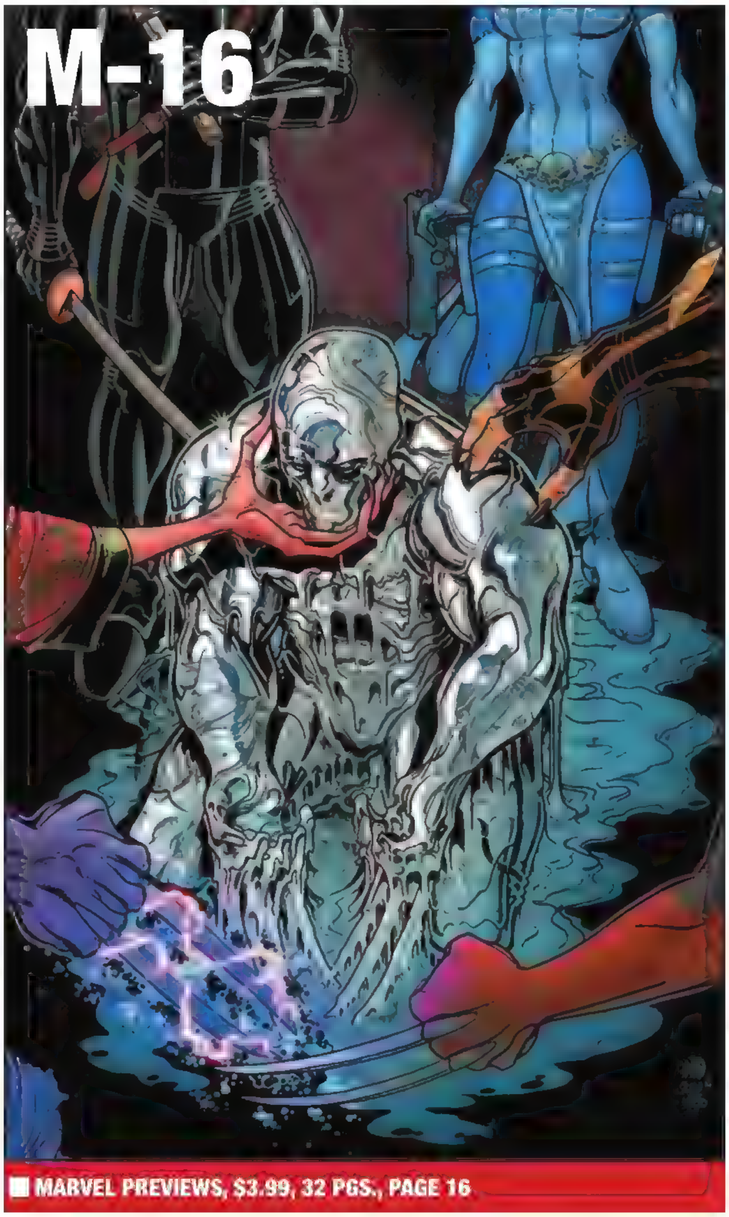
# WOLVERINE'S DEAD BODY IS NOW THE MARVEL UNIVERSE'S GREATEST PRIZE



MARVEL PREVIEWS, $3.99, 32 PGS., PAGE 16

A hero has fallen. The Marvel universe mourns. But death is not the end of Wolverine's story! His body is a repository of priceless Adamantium, his genes hold the key to immortality, and there are powerful forces vying for control of Wolverine's corpse in the new series from Charles Soule, Nick Bradshaw, and more in Marvel Comics' new weekly series, *Wolverines!*

Wolverine's friends and enemies have all begun to adjust to a world without him. Some, like X-23, mourned him. Others, like Sabretooth, celebrated the death of a longtime and implacable foe. Soon, those whose lives were most touched by Wolverine's life -- and whose lives were most changed by his death -- will find themselves drawn into a game masterminded by Mystique, with Wolverine's remains as a prize. The Adamantium that laced his skeleton is both powerful and rare, and whoever controls Wolverine's body controls that power. But the race to claim Wolverine's body will not be easy, and there are many who want it for their own. Those trapped in Mystique's deadly game will soon find their lives turned upside down as murder and mayhem await!

In *Wolverines* Charles Soule continues the story he began in *Death of Wolverine* and was continued in *The Logan Legacy* and the *Weapon X Program*. Soule is joined by artist Nick Bradshaw (*Guardians of the Galaxy*). *Wolverines* will push the characters to their limit, and the weekly series promises to be an action-packed thrill ride filled with heroism and sacrifice, alliances and betrayals!

With the fate of Wolverine's body hanging in the balance, lives will be irrevocably altered. The adventure continues in *Wolverines* from Soule, Bradshaw, and more top creators, coming your way this January!

# THE HYBORIAN AGE'S GREATEST HEROES DO BATTLE IN CONAN/RED SONJA

The lands of Earth's prehistorical Hyborian Age had two great champions, Red Sonja of Hyrkania and Conan of Cimmeria. Legends spoke of these wandering warriors. They battled great darknesses and impossible enemies. But rarely did the legends speak of these two champions together, joined in a single cause. Soon, however, the legends will speak of a single adventure for the great heroes. This January, these legendary sword and sorcery heroes become uneasy allies in an epic adventure to defeat a vile sorcerer in Conan/Red Sonja, a copublication of Dark Horse Comics and Dynamite Entertainment! Spanning the entirety of their lives, Conan/Red Sonja from writers Gail Simone and Jim Zub and artist Dan Panosian promises fans of the Hyborian Age an epic sword and sorcery adventure that will redefine the genre!

### A MURDER INVESTIGATION LEADS TO TRUE EVIL IN *BURNING FIELDS*

In the 20th-century, King Features syndicated some of the most revered comic strips of all time – *Flash Gordon, Mandrake the Magician, Prince Valiant, Jungle Jim*, and *The Phantom*. While two of these properties have been comic book mainstays, the other three have not, and this January Dynamite launches five new series with this stable of characters! Plus, each debut issue features a cover by Darwyn Cooke, and all five covers interlock for one massive image!

# *PREVIEWS* CELEBRATES THE HISTORY OF COMIC STRIPS (AND COMICS) THIS MONTH

CLASSIC COMIC STRIP REPRINTS

For over 100 years, readers the world over have read the comic strips published daily in their local newspapers. Comic strips have connected with millions of readers, telling stories in virtually every genre, from historical epic like *Prince Valiant*, slice-of-life like *Archie*, growing up and coming-of-age like *Peanuts*, to crime like *Dick Tracy*, super-heroes like *Spider-Man*, and space opera like *Buck Rogers*.

This month, ***PREVIEWS*** celebrates the rich legacy of the format with the **Cartoons & Comic Strips/From the Archives Theme**, now including classic comic book archive editions! Collected editions of some of the greatest and most influential comic strips are offered throughout the catalog this month, marked with the Cartoons & Comic Strips logo. Look for volumes from publishers such as Dark Horse Comics, Fantagraphics Books, Hermes Press, Classic Comics Press, Drawn & Quarterly, PS Artbooks, and many other publishers as they bring you the comics strips you grew up with!

Ridley Scott revolutionized sci-fi horror with 1979's groundbreaking film *Alien*, starring Sigourney Weaver and Tom Skerritt. Funko returns to the space hauler *Nostromo* and the alien creature it finds with their *Alien ReAction Figures*. Done in the style of 3 3/4" tall figures from the 1970s, these figures of Ripley, the infected crewman Kane, and the Alien creature itself will look great in your vintage figure collection!

## 498 RON WEASLEY IS READY TO SEIZE THE GOLDEN SNITCH WITH A NEW 1/6-SCALE FIGURE

J.K. Rowling's Harry Potter series recently celebrated the fifteenth-anniversary of the publication of the first book, *Harry Potter and the Sorcerer's Stone*, and Star Ace revisits the world of Hogwarts with their new *Harry Potter: Ron Weasley 1/6-Scale Action Figure!* This large figure depicts the Quidditch star, broom in hand, as portrayed by Rupert Grint in the beloved film series. **GUARDIANS OF THE GALAXY: ROCKET RACCOON AND GROOT STATUE**

## 436 STAR TREK SELECT'S WORF IS NOT A MERRY MAN

Diamond Select Toys continues their *Star Trek Select* line this spring with the next figure in the series, Lieutenant Worf of *Star Trek: The Next Generation!* The first Klingon in Starfleet and the Chief Security Officer for the *USS Enterprise*-D, Worf may be dour and humorless on the bridge of Captain Picard's ship, but no one gets in harm's way on Away Team missions like he does! Set your phasers to stun and add Diamond Select Toys' Worf to your *Star Trek* collection!

## 467 GENTLE GIANT UNLEASHES ROCKET RACOON AND GROOT

Marvel Studios hit box office gold this summer with *Guardians of the Galaxy*, and fans embraced the characters of Rocket Raccoon, the gun-toting rodent, and Groot, the walking tree. Gentle Giant sculpts this duo for their new *Guardians of the Galaxy: Rocket Raccoon and Groot Statue*.

This 1/4-Scale Statue features a sculpt based on the character designs from the film, and it will look fantastic as part of any Marvel fan's collection!

Help me be free. From the pills and my mom.
You said you love me.
I DO LOVE YOU!
BUT I DON'T WANT YOU TO DIE!
I won't, I'm controlling it. Sort of
But I have to let go now, ok?
WHAT DO YOU MEAN, "LET GO"? WHAT'S GOING TO HAPPEN?
Not what you think. . It's just time I stopped fighting it...
I'm ready to live with it, with myself, as I am. It'll be ok, baby. .
Just trust me.

After a sex-tape scandal, former Hollywood child star turned Z-lister Chondra Jackson returns to her hometown of Effigy Mound, IL, to find a seemingly impossible crime – a fresh corpse in an ancient Indian burial site. Even weirder, the murder resembles a scene from an episode of her old TV show, *Star Cop*, a live-action children's show about a kid detective.

As Chondra starts to investigate, she stumbles upon a bizarre cult that worships celebrities as eternal effigies. And these cult members aren't just worshiping – they're also ritually sacrificing anyone who defies their veneration of the beautiful and famous. Chondra's probe takes her on a terrifying tour of burial mounds across the world, from Stonehenge to the Nazca Lines of Peru. But what is the link between the cult, Chondra's hometown, and her own bloodline? Will Chondra become the hero detective she played as a child…or is she in fact the cult's unwitting messiah?

Written by rising star Tim Seeley (BATMAN ETERNAL, GRAYSON, *Revival*) and illustrated by Marley Zarcone (*Black Circle*, MADAME XANADU), EFFIGY is a twisted murder mystery and conspiracy tale that examines celebrity, godhood, and the price of fame.

*Retailers: This issue will ship with two covers. Please see the order form for more information.*

Even before the first issue of FABLES, there were stories to be told, shadowy avenues to explore, and lives hanging in the balance! Bigby Wolf has seen plenty in his time as Sheriff of Fabletown…but nothing can prepare him for this…

It all starts with a simple domestic disturbance. But when Bigby learns that his old nemesis, the Woodsman who has an axe to grind, is part of the scene, things go downhill fast. And how will Bigby and Snow White keep their heads long enough to crack the case when they get caught up in a grisly murder mystery?

Vertigo's first-ever digital-first series, FABLES: THE WOLF AMONG US is a gripping adaptation and expansion of the smash-hit video game from Telltale Games, and an official prequel to Bill Willingham's bestselling FABLES! Written by FABLES alum Matthew Sturges (JACK OF FABLES) and Dave Justus (HOUSE OF MYSTERY), with art by Stephen Sadowski (JSA), Shawn McManus (FABLES/FAIREST), and Travis Moore (JSA ALL STARS)!

44 FLOOD

In Greek mythology, a Katabasis was the journey to the underworld and into one's shadow Self to confront and attempt to overcome elements of one's own psyche.

KATABASIS I is an art book with mythological and historical references that presents all the works displayed at the sold out menton3 Last Rites Gallery show "KATABASIS I" held during April 2014 in New York City.

The book includes developmental works that were part of menton3's inward journey to bring forth the images, as well as in-depth discussion and analysis covering experiences and understandings from the process of creating the pieces along with the presentation of Katabasis from mythology with a focus on the classic story of Orpheus and Eurydice.

AN ENVELOPE-PUSHING RE-IMAGINING OF BIBLICAL CHARACTERS, INCLUDING JUDAS, SAINT MATTHEW, PAUL OF TARSUS, AND JESUS HIMSELF!

Two thousand years after he betrayed Messiah, Judas Iscariot is still alive, wandering a world he doesn't recognize. A world where the strangest of fictions have come true: monsters, immortals, gnome-librarians who monitor human history–they're all real. And all Judas wants to do is kill himself. So why can't he? The most transcendent story of the year is here in this all-new original graphic novel chronicling history's preeminent backstabber and his quest for suicide.

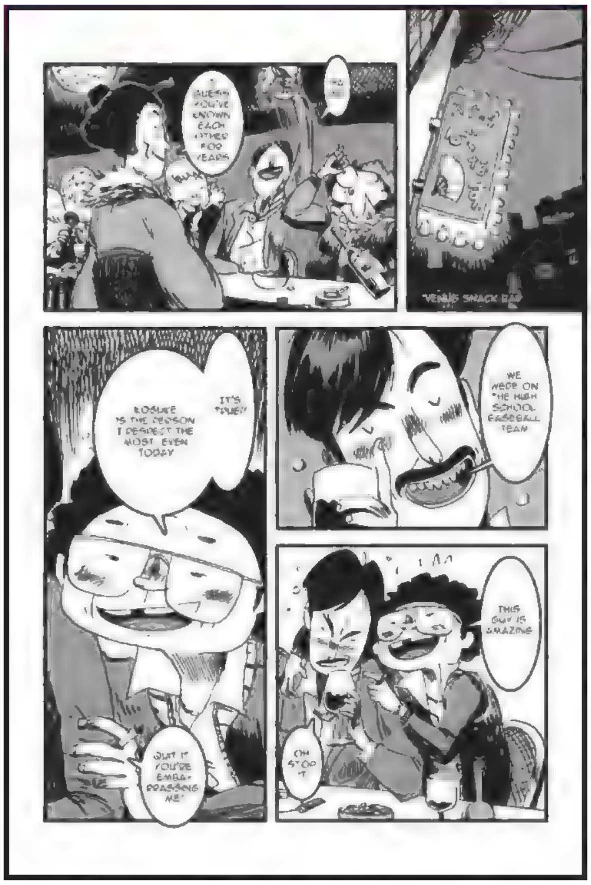
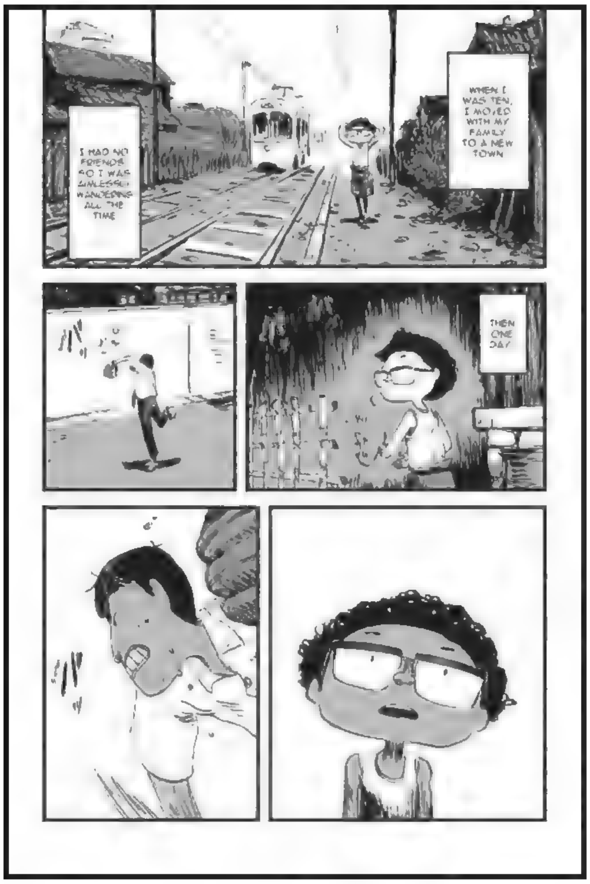
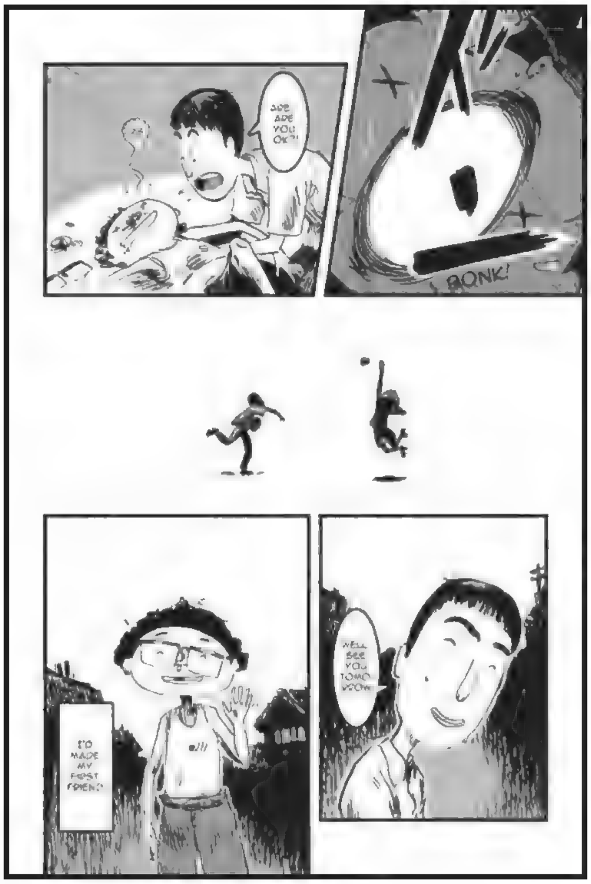
THAT'S THE SPIRIT KOSUKE!



VENUS SNACK BAR
I GUESS YOU'VE KNOWN EACH OTHER FOR YEARS
WE WERE ON THE HIGH SCHOOL BASEBALL TEAM
IT'S TRUE!
KOSUKE IS THE PERSON I RESPECT THE MOST EVEN TODAY
THIS GUY IS AMAZING
OH STOP IT
QUIT IT YOU'RE EMBARRASSING ME!



WHEN I WAS TEN, I MOVED WITH MY FAMILY TO A NEW TOWN
I HAD NO FRIENDS SO I WAS AIMLESSLY WANDERING ALL THE TIME
THEN ONE DAY



BONK!
ARE ARE YOU OK?!
WELL SEE YOU TOMORROW
I'D MADE MY FIRST FRIEND

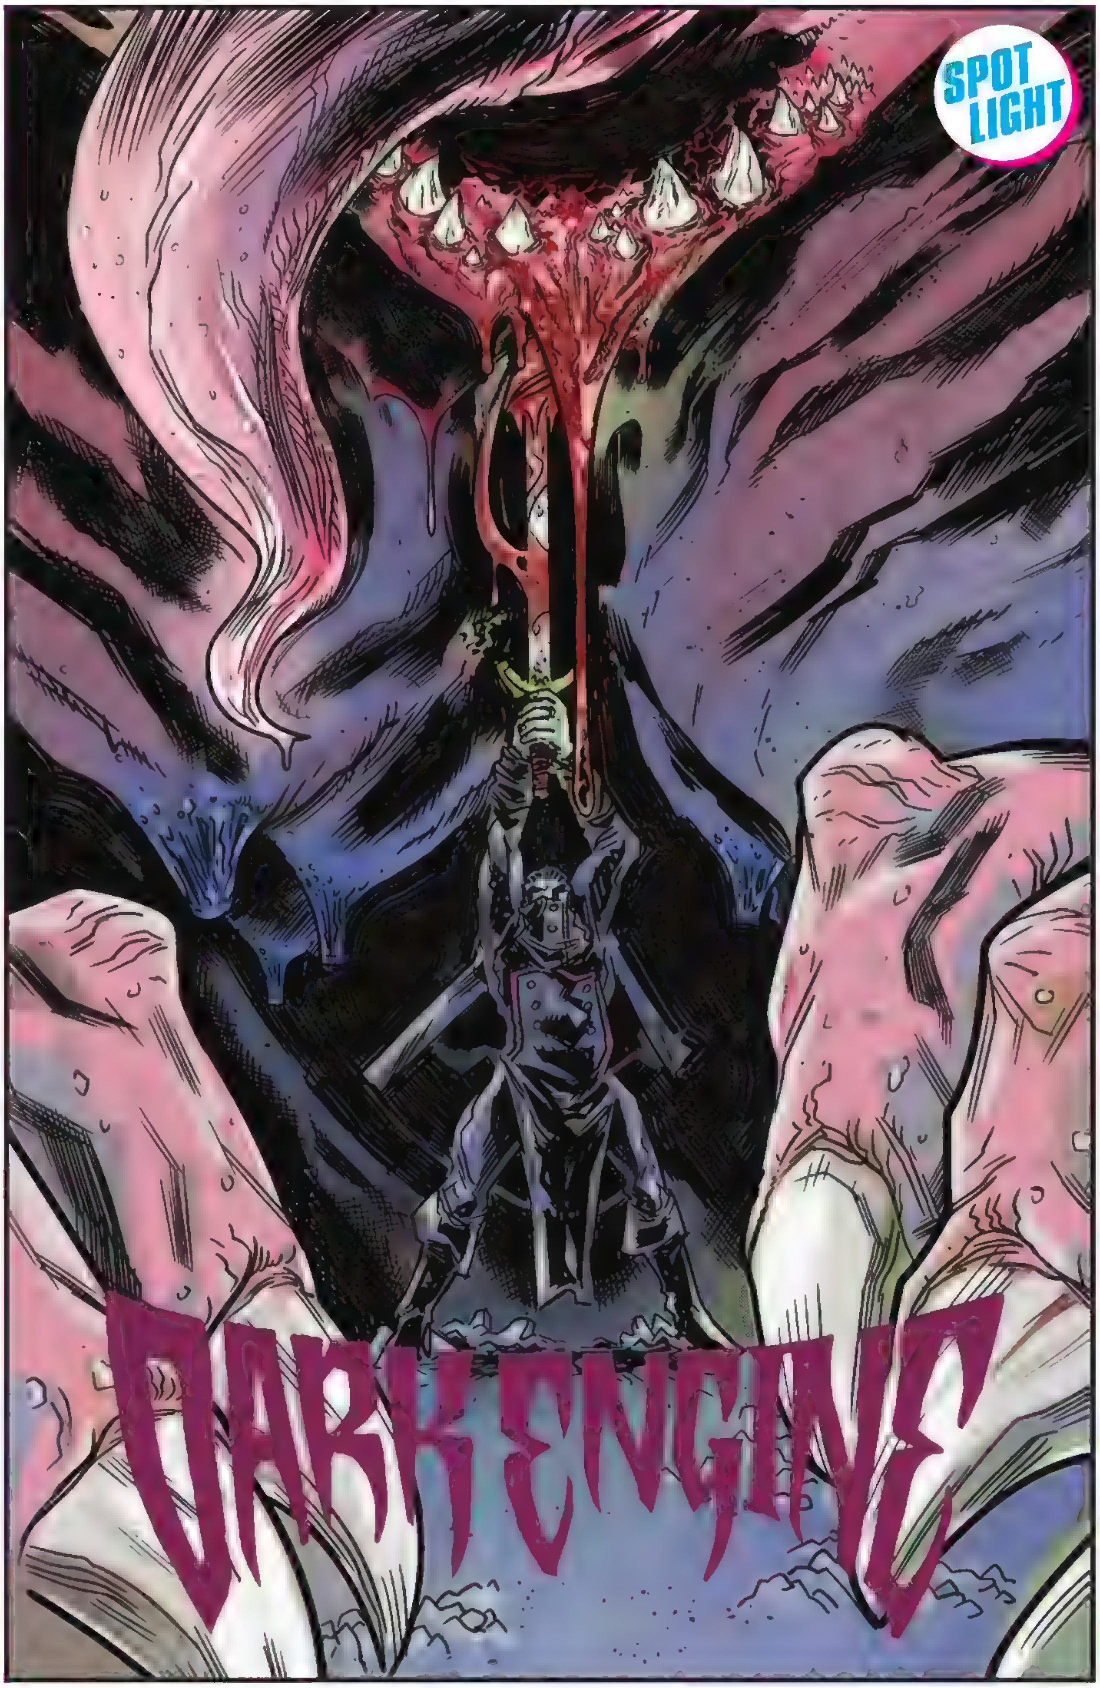
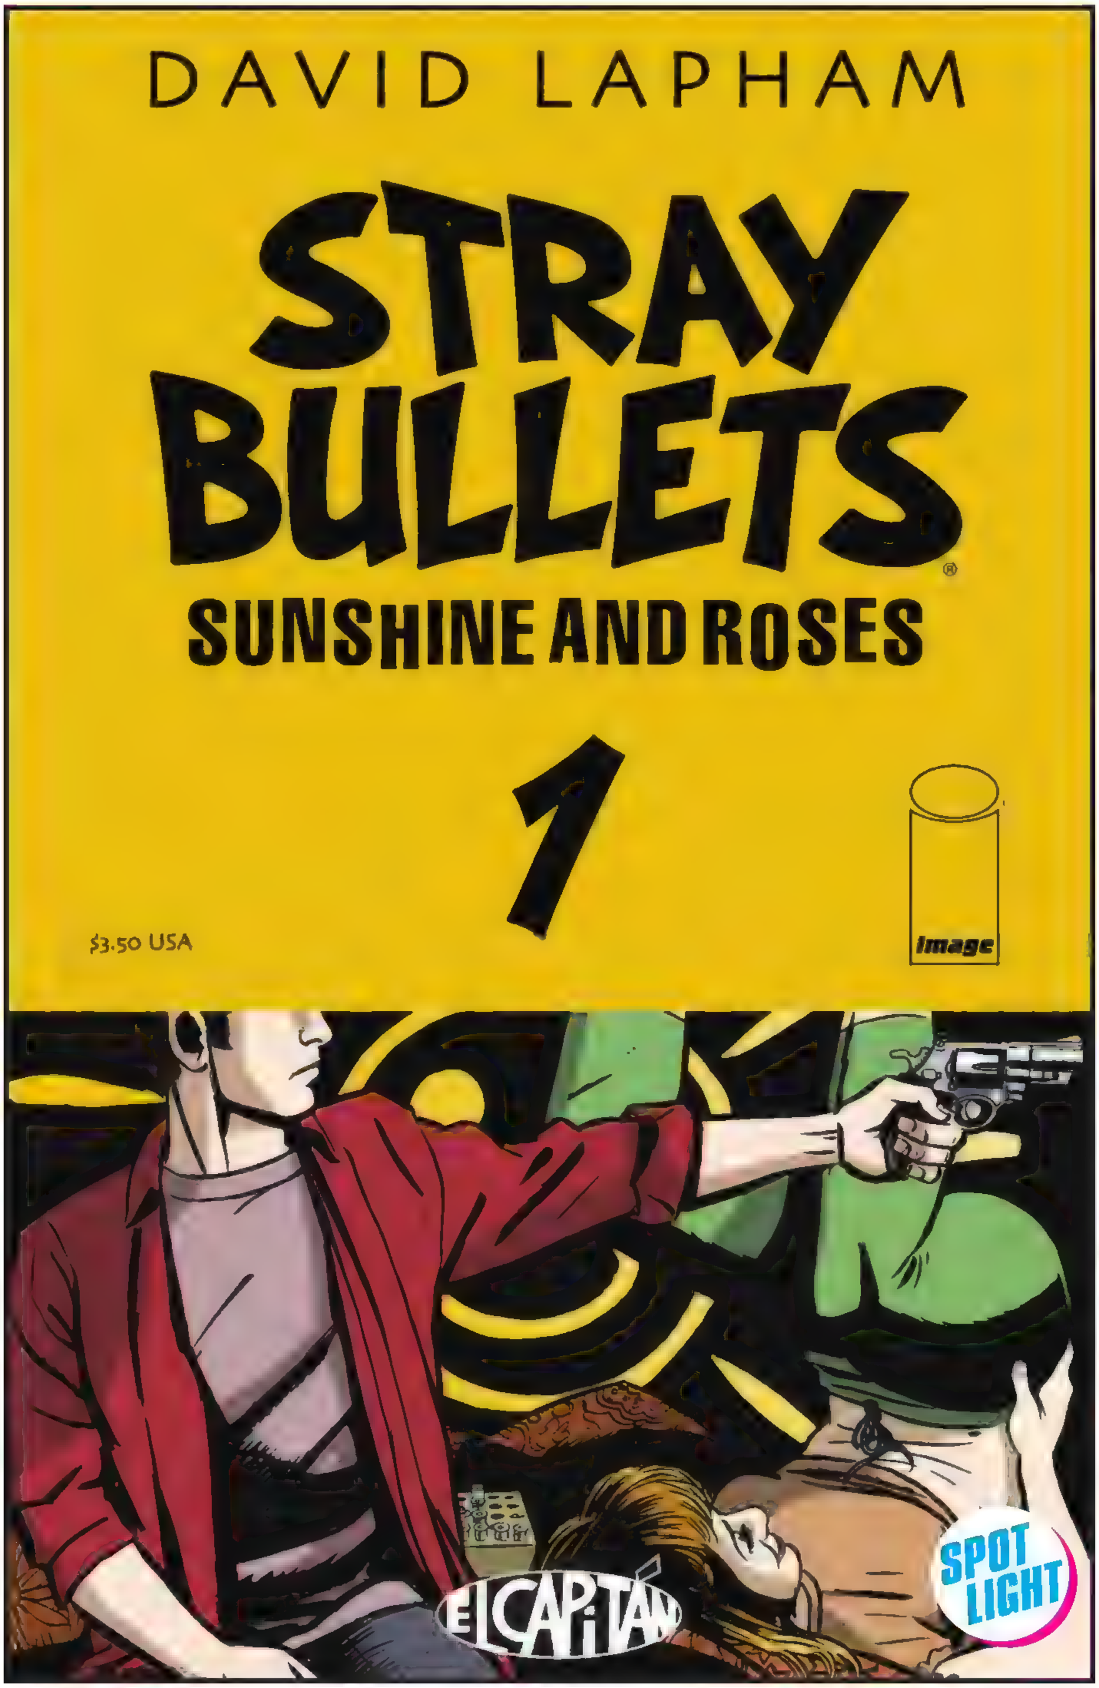
**THIS IS HOW THE WORLD BEGINS.**
Sym is trapped at the bottom of the ocean, the Enemy is on the move, and there is evil at every turn. But there is light in the darkness—the Inkface Ranger rises.



# STRAY BULLETS: SUNSHINE AND ROSES #1



STORY / ART / COVER:
**DAVID LAPHAM**

JANUARY 21
32 PAGES / BW / M
$3.50

**STRAY BULLETS CONTINUES WITH THE BEGINNING OF A BRAND-NEW ARC OF STORIES!**

**SUNSHINE AND ROSES** is about violence, love, and really bad decisions. The Baltimore underworld is falling apart at the seams and blood has been spilt. Where and when things went to hell in a handbasket can be traced back to a time a few years earlier, when a man named Harry ran the city, Spanish Scott and Monster enforced the rules, and an insecure young man named Orson met a wild and crazy girl named Beth. The two together cooked up the boldest, most outlandish, and just about the stupidest plan ever devised—a plan to steal a whole lot of Harry's money and drugs and get a little revenge along the way.

While every issue of **STRAY BULLETS** presents a complete story, the start of each new arc is the perfect place to jump on board and see what everybody else is talking about.

**STORY / ART / COVER:** RYAN BROWNE

JANUARY 7 / 176 PAGES / FC / M / $17.99

**BACK IN PRINT!**
**GOD HATES ASTRONAUTS** follows the story of a group of incompetent, small-minded, super powered narcissists called "The Power Persons Five" who are hired by NASA to stop all farmers from launching themselves into space in homemade rocket ships. Unfortunately, for NASA, this goal is scarcely even addressed and the book focuses more on extramarital affairs, bank-robbing owls, big gross swollen heads, ghost cow heads, olde tyme boxers, tigers eating cheeseburgers in the Crab Nebula, buffalo judges and tons of aggressive swearing. Not so much a superhero book as it is a parody of basically everything and a celebration of weird that is jam-packed with references to RoboCop and Die Hard.

### ESCAPE FROM DULLSVILLE TP

*(W/A/CA) Andrew Ristaino*
From the lead character designer of Cartoon Network's *Adventure Time*! "Something born of extraordinary circumstances tends to allow for more incredible circumstances to happen," says creator Andy Ristaino of his immensely original comic book magnum opus, *Life of A Fetus*, in which a fetus, tired of its surroundings, decides to make an early exit. Everyone is after the little fetus-lad, aliens, mad truckers, babysitters with jet packs, men in black, crazed monsters, masked wrestlers, and of course the little fetus' mother. (STK404851)

### MALLEUS MALEFICARUM: A GUIDE TO CATCHING WITCHES GN

*(W) Heinrich Kramer & Various*
*(A/CA) Mike Rosen*
In 1487 Heinrich Kramer and Jacob Sprenger wrote the *Malleus Maleficarum*, the premiere manual for exposing, capturing, prosecuting and burning witches used by every right-thinking European magistrate of the late middle ages. Cartoonist Mike Rosen's tongue-in-cheek adaptation of this uplifting tome answers all those nagging questions: Do witches kill newborn babies for use in their rituals? Can they turn men into beasts? **STINKY CECIL IN OPERATION POND RESCUE SC**
*(W/A/CA) Paige Braddock*
The hilarious tale of a group of amphibians and one free-range hamster who set out to save their tiny pond home from one very large steamroller. Sometimes big stories happen in small places. Sometimes big things happen to small creatures. This is one of those stories. Cecil is a toad. A toad busy doing what any other toad does with its days — judging the pond splashing contest or visiting his friends. And, of course, trying to keep clear of the local hawk. But when Cecil discovers a freeway construction project aimed right at the pond, he knows he has to come up with a plan to save his home. But what can a small group of amphibians and a reincarnating fly do against construction vehicles and a steady onslaught of hot asphalt? (STK659026)

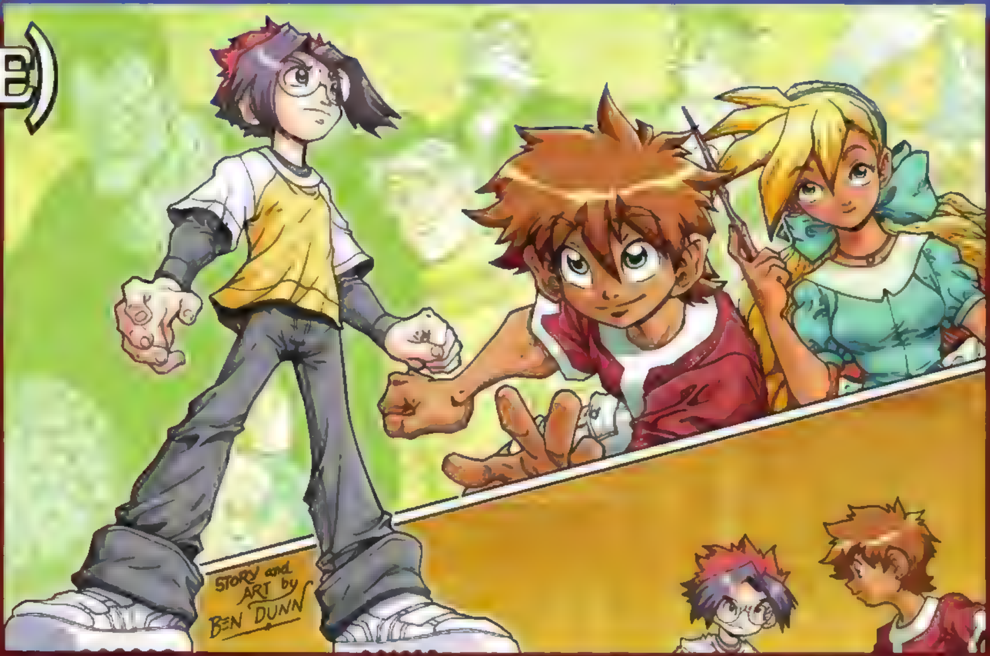
# SCIΣNC(E) IS MAGIC



STORY and ART by BEN DUNN

## Science Is Magic #1

Story/Art: Ben Dunn

The battle of the sexes is more pitched than ever, divided between reliance on the mystical and mechanical! Certain women are graced with powerful magical talent, solving problems with spells both fierce and subtle. Many men are gifted instead with talent for technology and engineering, and believe these are the keys to resolve the world's woes. The two sides are fiercely, irrevocably opposed...until a pair of them fall in love!

# CROSSED +100 #2

**Retail Price: $3.99**

**Writer: Alan Moore**

**Covers and Art:** Gabriel Andrade

**MR, Color, 32 pages, monthly**

**About:** Alan Moore places his unique stamp upon the Crossed universe, as he and artist Gabriel Andrade paint a vivid picture of the future 100 years after the outbreak! Future Taylor leads a salvage team that is exploring the ruins of Tennessee. She tries to piece together the past, while they gather supplies for the future. Together with the settlement of Chooga, they take the tentative steps of a new generation as they attempt to understand the horror that nearly wiped out the human race. But disturbing threads emerge, some sightings of Crossed occur, and a century-old mystery begins to be revealed. This multi-layered story delivers a new brand of horror to Crossed fans at the hands of the scribe that redefined the comics medium. Enter Alan Moore's world of grueling survival with Crossed +100. This masterwork is a self-contained whole new world, no prior knowledge of the Crossed series is needed.

All the covers for the series have been planned out by Alan Moore, with the images enriching and expanding on the series. Clues and glimpses of what came before, and what might be, are found throughout the variant covers.

**American History X Wraparound** - Each of these will depict a specific time in the past hundred years, showing how things have changed and offering a peek at some key events. Each cover will display the year in which it takes place to help build the full picture.

Crossed Culture: **$3.99**

**Crossed Culture** - These are all images of how the Crossed have changed the way they live. With few humans left to hunt, and the animal kingdom thriving with predators, even the thrill-driven Crossed have had to make adjustments to their lifestyle.

**Future Tense** - Each cover is a homage to a famous work of science fiction, and each of those original works ties into themes of this series.

**New World Order Wraparound** - These are not for the faint of heart or delicate of constitution. We can't even picture them in this catalog, they are visions of what an ideal all-Crossed world would be. If the madmen have their dreams come true, what would the everyday life look like? These covers are brutally intense images of true horror and may have scenes of torture, depravity, and nudity. These are clearly for adults only. Each copy of this edition will ship in a sealed polybag with a protective slip cover over the actual image to assure it can be racked in stores. The graphic pictured here is the slip cover only. Due to all these special protective measures this edition is strictly limited to initial orders.

Also available with Retailer Incentive covers of Red Crossed and Design Sketch, showing the original works of series artist Gabriel Andrade.

**Hardcover: $27.99**

**About**: The Crossed universe is an unyielding nightmare vision of animal depravity and homicidal insanity. In this volume, two of the industry's best new talents come together to tell very different stories of despair. Simon Spurrier takes you to a picturesque environment in the English countryside with tweeting birds, friendly vicars, crumpets and jam, and a mob of Crossed lurking near the duck pond. No one sees Wheezy the fat asthmatic kid hiding up in the old tower but if he shows his face it will only be the farmer's wife between him and a bloody fate. The problem is, she's Crossed too. And newly-Crossed Justin Jordan tells his first diabolical tale as two women attempt to escape the band of monsters out for their blood. When a mysterious unseen Samaritan helps them escape to a sanctuary it seems as though they've found what little safety there is in the new world order. But trusting anyone in the world of Crossed usually leads to a gut-wrenching and miserable end. Crossed Vol 11 TP collects Crossed 2014 Annual and issues #57 - 61 of the ongoing Crossed: Badlands comic book series.

### IN STORES JAN 14

**ABOUT**: David Lapham is a master of violent crime drama and his latest foray into the world of Crossed has created some of the most brutal images yet. Gavin Land was a normal family man. He loved his kids and his wife. He played by the rules. But when a sadistic pornographer debases and kills his daughter before systematically destroying his life, something deep inside snaps. And not even a world full of homicidal maniacs will stop him from revenge. WHAT HAVE I DONE ?!
JULIA WERTZ

### MUSEUM OF MISTAKES: THE FART PARTY COLLECTION TP

*(W/A/CA) Julia Wertz*

In 2004, Julia Wertz began a series of funny, irreverent autobiographical comics she called "The Fart Party." After posting these comics online at fartparty.org to acclaim and controversy. She eventually started collecting these comics as self-published minis which found their way to Atomic Books in Baltimore who thought they ought to be collected into a proper book so as to garner Julia more laughs and hate mail. As these things go, the first volume was so successful, there was a second volume. Both are out of print, but *Museum of Mistakes* collects them into one book, plus numerous pages of Julia's early comic work, unpublished and/or previously uncollected comics, short stories, illustrations, process pages, hate mail, sketchbook pages, tear stains, and more. ### FUTURE PROOF #3

*(W) Brian Phillipson, Alex Murillo*
*(A/CA) Alex Cormack*

This on-going, bi-monthly time-traveling adventure continues as we experience a day-in-the-life of agents James Rison and Simon Magus while they visit Wall Street during the infamous stock market crash of 1929 and accidentally cause the mass banker suicide. They then travel to 1919, get drunk with Babe Ruth and blackmail the Red Sox owner into trading Ruth to the Yankees. Meanwhile, the mysterious Umbrella Man meets with a young Lee Harvey Oswald. Any wrong move will change the future as we know it! (STK659183)

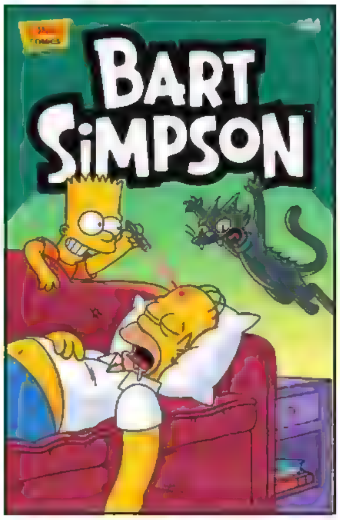
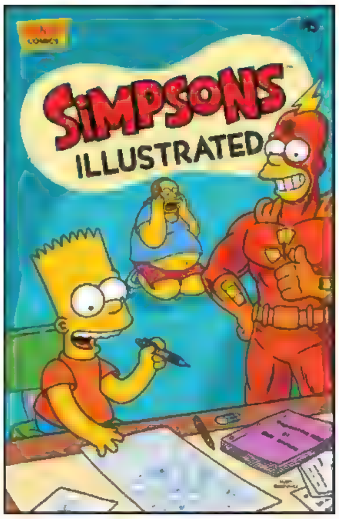
## BONGO COMICS

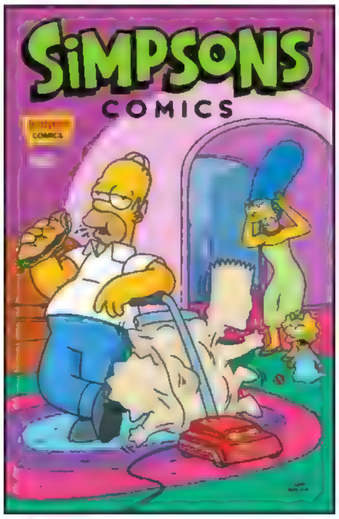


**BART SIMPSON #94**
*(W) Arie Kaplan & Various (A) Mike Kazaleh, Dean Rankine (CA) Jason Ho & Various*
Rainier Wolfcastle applies some method acting to his newest film role and follows Bart around school to get inside the mind of child, but it doesn't take long for the action hero to become fascinated with another subject — Nelson Muntz! Plus, add in a little Crazy Cat Lady and a Bart/SpongeBob SquarePants mash-up. (STK659387)
32pgs, FC .................................. $2.99



**SIMPSONS ILLUSTRATED #15**
*(W/A) Matt Groening (CA) Jason Ho & Various*
The Simpson family embarks on a globe-trotting adventure that not only takes them around the world but, literally, into orbit around the Earth with everybody's favorite, eternally optimistic, moonraking megalomaniac, Hank Scorpio! And when Bart finds himself living the dream after landing a gig as the new Radioactive Man comic book writer, Comic Book Guy finds himself living his worst nightmare. Then, Lisa applies her deductive skills to discovering the identity of her anonymous valentine. (STK659392)
48pgs, FC .................................. $3.99

**SIMPSONS COMICS #217**
*(W) Ian Boothby (A) Rex Lindsey, Dan Davis (CA) Jason Ho & Various*
Homer accidentally invents the most powerful vacuum cleaner on Earth and teams up with door-to-door salesman Gil Gunderson to peddle his wares. Meanwhile, when Bart and his pals get in trouble and are assigned to help out Groundskeeper Willie, the school handyman has enough extra time on his hands to earn his GED and teacher's credential. In no time, he becomes Springfield Elementary's most sought after substitute teacher. With so much sanitizing getting done, this is, hands down, the cleanest comic you'll read all year! (STK659385)
32pgs, FC .................................. $2.99



## *United Plankton Pictures*

**SPONGEBOB COMICS #40**
*(W) David McGuire, Scott Roberts (A) Scott Roberts, Gregg Schigiel (CA) Jacob Chabot, Mark Martin*
In our ocean-shaking volcano issue, witness the explosive birth of Patrick's new house! It happens in "Guest to Pest" by Scott Roberts. In "Magma Morons," SpongeBob explores a volcanic island with a secret-courtesy of Kaz, Vince DePorter, and a big photo spread of a "real" volcano! Plus, in "Formula None," SpongeBob goes on strike when Mr. Krabs replaces the Krabby Patty ingredients with artificial filler! Also, facts about undersea vents by Maris Wicks (*Batman '66, Primates*) and Dave DeGrand's tale of the weirdest-shaped toe blister in the history of Bikini Bottom! (STK659189)

NORMAN
STAN SILAS

## NORMAN GN
### Titan Comics

Nothing is sacred! French creator Stan Silas mocks all the things: poor people, rich people, stupid kids, lousy adults, alcoholics, absent parents, useless school systems, and, most of all, scary movies. And he did his homework first. *Norman* is a ridiculous, laughing love-letter to American horror films overflowing with movie Easter eggs and lampooned tropes. Imagine the cutest and entirely murderous Dennis *the Menace*, sprinkle in *Calvin-and-Hobbes*-level ludicrous over-reactions and goofy faces, mix in a deeply embittered collection of child-rejects from a *Peanuts* cartoon, and have the whole shebang "supervised" by the adults from *Married with Children*. Now you've got a good handle on *Norman*.

Little Norman toddles happily through life, gleefully murdering his classmates with the imaginary encouragement the darling devil that whispers in his left ear. His teacher would report the disappearing children to the police, but she's certain that her secret lover/sugar-daddy (and father of one of the murdered tots) is the actual culprit. Scared for her life and drunk off her gourd, teacher is perhaps not the authority figure the children require. Since they're effectively left to their own devises, the kids haphazardly investigate the disappearances on their own, and trigger further slaughter (and laughter!) as Norman rushes to cover his cartoonishly obvious tracks.

Grab your hockey mask and beware of twins in hallways. This adorable, horrible, utterly incorrigible tiny-tot-terror will leave you in stitches!

# BURNING FIELDS #1 (OF 8)

Written by **Michael Moreci** & **Tim Daniel**
Illustrated by **Colin Lorimer**
Covers by **Colin Lorimer**, **Trevor Hairsine** *(Ten Years Variant INCV)*, **Riley Rossmo** *(INCV)*
**$3.99 • 32 Pages • Full Color**

### WHY WE LOVE IT

After the critical acclaim of ***Curse***, we couldn't wait to work with Michael Moreci, Tim Daniel, Colin Lorimer, and Riley Rossmo again—and just as they reinvented the werewolf tale, their modern take on military horror got under our skin

### WHY YOU'LL LOVE IT

The team that brought you one of the best reviewed comics of 2014 returns in 2015 to create a new horror tale unlike any other. A geopolitical drama with monster mythos, ***Burning Fields*** is a story for fans of both *Zero Dark Thirty* and *The Thing*, as the writers of *Roche Limit* and *Enormous* explore the evil that lurks when greed drives one to drill too deep into the unknown

### WHAT IT'S ABOUT

Dana Atkinson, a dishonorably discharged army investigator, is pulled back to the Middle East when a group of American oil technicians disappear under bizarre circumstances. With the help of an Iraqi investigator, what Dana discovers is unimaginable: a series of unusual incidents at the drill site lead her and her unlikely ally to discover a mythic evil that has been released, one that threatens both the lives of the entire region and the fragile peace that exists

**$14.99 • 112 Pages • Full Color**

### WHY WE LOVE IT

BOOM! Studios has a long history of publishing some of the industry's best modern horror, and *Curse* takes us back to our roots with a werewolf story that has a twist unlike any you've ever seen.

### WHY YOU'LL LOVE IT

The *Curse* creative team practically screams "horror"—from writers Michael Moreci *(Roche Limit)* & Tim Daniel *(Enormous)* and artists Riley Rossmo *(Drumhellar)* & Colin Lorimer *(UXB)*, you're in for one of the best reviewed comics of 2014, injecting new life into the classic werewolf story

### WHAT IT'S ABOUT

Laney Griffin is a man who will do anything to save his son from leukemia, but the cost of treatment has broken him financially. When he pursues an elusive murderer in the wilderness of his small, rural community in the hopes of securing a substantial bounty, Laney is confronted with something he never could have expected: a werewolf. The captive Lycan, in human form, turns Laney's life upside-down, forcing him to confront his haunted past and race against the clock because there's only 30 days until the next phase.

# MUNCHKIN

In January, BOOM! Box is excited to introduce *Munchkin* comics, based on the immensely popular card game. In case you're not familiar with *Munchkin*, we sat down with Steve Jackson, the creator of the game, to explain what it is and why you can enjoy the comics even if you've never played the game! (And you should, because it's super fun!)

**For the uninitiated, what is *Munchkin*, and how popular is it?**

**Steve Jackson:** *Munchkin* is a card game about going into the dungeon, killing the monsters, and taking their stuff. It started as a parody of hack-and-slash dungeon-crawling RPGs. But instead of roleplaying, you and your friends (it's for 3 to 6) get right down to the important things like killing everything that moves, twisting every card to your advantage, and blackmailing your friends to give you treasure if they want your help against that Plutonium Dragon.

Every round tells a little story. Usually, a very STRANGE little story. You can have races like Elf, and classes like Wizard, but they change constantly. Even your gender can change. You start off fighting the Plutonium Dragon, and you're winning because you have the Slimy Armor and the Chainsaw of Bloody Dismemberment. And you cheat (with a Cheat card) and use the Unnatural Axe on it as well. But then your so-called friends start dropping cards on you, and now you're facing the Huge Enraged Undead Plutonium Dragon. And its Mate. So it's time to run away...

It's taken on a life of its own now. There are more than a dozen different *Munchkin* sets for various genres. We've got space, ninjas, pirates, Cthulhu, and so on – the next one up is Steampunk. There are whole *Munchkin* games based on Conan and *Axe Cop*. There are so many small expansion sets that I can't keep count. Some are based on great geeky properties like *The Guild*, *Skullkickers*, *Mars Attacks*, and the upcoming *Judge Dredd* set. Some are just weird, like the *Christmas Munchkin* supplements with Santa monsters, and the new *Munchkin Princesses* set (no gender requirements – anybody can be a princess).

**What is the origin story of the game?**

**SJ:** An ordinary game was bitten by a radioactive...NO, WAIT. TRY AGAIN.

It didn't start as a "big idea." I had no idea that it would turn into our best seller ever. I just wanted to make fun of the silly side of roleplaying and the guys who just kill everything they see for XP [Note: XP is gamer speak for Experience Points], argue constantly about the rules, and all act Chaotic Evil regardless of their character descriptions. And nothing matters except leveling up.

So I wrote some basic rules for card interactions, and hand-wrote a bunch of cards off the top of my head while in the plane on the way to a convention. When I got there, I said, "Anybody want to try a new game? It's never been played and I don't know if it works at all." It worked. People pretty much never stopped playing it the whole time I was there. Of course it was full of bugs, but everybody still had fun.

So I brought it back home and worked on it, and asked John Kovalic if he wanted to illustrate it (which might be the single smartest thing I have ever done). And we printed 5,000, and very soon we were printing another 10,000, and it just never let up.

**What inspired you to pursue a comic book adaptation of *Munchkin*?**

**SJ:** Like most any geek, I like comics. A lot of the *Munchkin* sets are based directly on comics. So it's the circle of life, you know? Also, there are some really good jokes that can't be told on single cards!

**For fans of the *Munchkin* game, why should they pick up the comic?**

**SJ:** Because it'll probably help them kill stuff and level up!

If you're a *Munchkin* fan, you know why that's funny. And why it might be true. And if you're not a *Munchkin* fan, then (a) you should be, and (b) see the next question...

**For someone who's never played the game, what do you think is the appeal of the comic?**

**SJ:** It's going to be a really stupid, really funny comic that takes the tropes of fantasy, and fantasy gaming, and roleplaying in general, and Munchkin-ized hack-and-slash in particular, and squeezes them until they scream. With lots of really awful puns. And if you think that viewpoint characters have a short life in *Game of Thrones*, just wait till you see the *Munchkin* comic...

## WHY WE LOVE IT

As long-time fans of the game, we're jazzed to weave stories out of the world of ***Munchkin***, whether it's from the perspective of one Munchkin, a gang of them, or even one of the monsters that live behind the doors!

## WHY YOU'LL LOVE IT

Kick open the door. Kill the monster. Steal the treasure. Screw over everybody you come in contact with. Welcome to the world of ***Munchkin***, a gathering of stories based on the popular game series. It's a laugh a minute, pal. Plus every first printing of every issue will ship with an exclusive card for the game.

## WHAT IT'S ABOUT

Based on the immensely popular card game, ***Munchkin*** comes to comics! ***Munchkin*** takes place in a very flexible mashup of genres. Originally a satire of fantasy roleplaying, it has since then taken on non-fantasy and non-gaming elements. Characters in Munchkin change constantly but never permanently. What do Munchkins do? They play for the win. They are rules lawyers. They backstab. They gloat. They whine when someone else backstabs or gloats. Munchkins are emotional. Munchkins may be clever, but they are never wise. Munchkins have short attention spans. Munchkins may be brave in the face of awful odds, but they are even braver when beating up crippled goblins for their lunch money. If a Munchkin seems to show mercy, it's because he was bored or distracted. After all, even stomping an ant helps you level up.

## WHY WE LOVE IT

***Marceline and the Scream Queens*** was our first ***Adventure Time*** miniseries and we loved the tour Meredith Gran took us on. It's definitely time for more Marceline and what better way to get everything rolling than with an epic that takes Marceline and Princess Bubblegum to the far corners of the world and into space!

## WHY YOU'LL LOVE IT

Marceline. The. Vampire. Queen. From the writer that brought you ***Marceline and the Scream Queens***, Meredith Gran *(Octopus Pie)*, and introducing indie talent Carey Pietsch, this is your chance to get some one-on-one time with one of your favorite residents of Ooo.

## WHAT IT'S ABOUT

Marceline is on a rampage for mysterious reasons, and the kingdom of Ooo is desperately scrambling to stop her. In trying to save both Ooo and Marceline herself, Princess Bubblegum accidentally propels Marceline into the farthest reaches of space...and strips her of her powers! Guilt-ridden, Princess Bubblegum sets off on a space rescue that'll test the power of her mind...as well as the power of friendship.

### WHY WE LOVE IT

In 1984, Jim Davis created a groundbreaking series of illustrated short stories called *Garfield: His 9 Lives*, setting the Fat Cat in various eras, that became an instant classic. We loved it so much we wanted to do it again!

### WHY YOU'LL LOVE IT

Even if you've never read the original *His 9 Lives* stories or watched the 1988 animated special, you'll enjoy these unique interpretations by an all-star cast of cartoonists, including Andy Hirsch, Yehudi Mercado, Roger Langridge, Frazer Irving, and Brittney Williams, as they depict Garfield through the ages, from prehistoric times, to the reaches of outer space.

### WHAT IT'S ABOUT

"9 Lives, Part 1." The journey begins with "Cave Cat," as David DeGrand *(Spongebob Comics)* takes us back to Garfield's first life, during the earliest days of life on Earth! Then, Kari Smith *(Plume)* illustrates "King Cat," as we see how Garfield got down in Ancient Egypt.

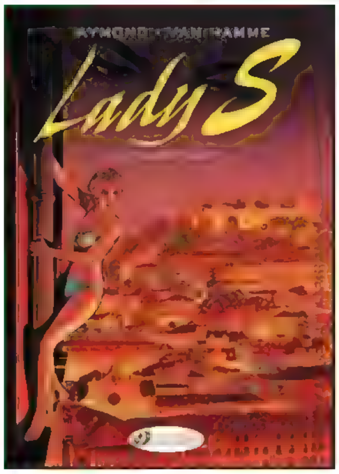
## CINEBOOK



### LADY S VOLUME 5: PORTUGESE MEDLEY GN

*(W) Jean Van Hamme*
*(A/CA) Philippe Aymond*

Shania, back in Europe after being expelled from the United States, has resumed her work with Orion and his shadowy organisation. Undercover as an interpreter at the European Parliament in Strasbourg, she is tasked with getting close to an extremist suspected of preparing a terrorist attack. The whole mission spirals out of control when she rushes to Portugal, after the CIA contacts her to tell her they've found a man who calls himself Abel Rivkas, her father! (STK659354) (C: 0-1-0)

Melusine
Hocus pocus

### MELUSINE VOLUME 1: HOCUS POCUS GN

*(W) François Gilson (A/CA) Harry Clarke*

Melusine is a sorcerer's apprentice, funny and dynamic, who does everything possible to become a powerful witch. Unfortunately, she's not always successful, and very often her tricks turn against her and her circle. Pumpkins, all sorts of monsters, a haunted castle, a charming prince — everything is there for the greatest pleasure of the readers. Girls or boys, nobody will be bored with Melusine! In this first volume, the charming little witch is working as a nanny in a castle in Transylvania. The lady of the house is a very bad-tempered phantom, her husband is quite a cool vampire, and the footman is a sort of Frankenstein with an exceptionally limited intellect. In short, nothing out of the ordinary! (STK659318)

From shadow-haunted Stygia emerges an evil undreamt of by even the most depraved minds: the demi-god called Sutekh. Born of an unspeakable blood ritual, he is the half-human progeny of the ancient serpent-god Set, sent forth to enslave Mankind in the name of his father and return the world to a primordial swamp. The new-born Sutekh leads a fearful army and uses powerful sorcery and a menagerie of demonic war-beasts to break the will of his mortal enemies as he marches forth to conquer the kingdoms of the Hyborian Age, defeating foe after foe — until he crosses the path of an older, battle-scarred Red Sonja, who has exchanged the life of a mercenary for running a school for sword-maidens. Can Red Sonja and her prize students, Lyla and Xoana, defeat the evil Sutekh and his private army of ghouls and devils with the help of the renegade Stygian priest, Sefkh, or are the Hyborian Kingdoms doomed to fall before the pitiless "Son of Set"?

For the Battlestar Galactica and its fleet, which is the greater threat: what lies ahead, or what snaps at their heels? Driven into an uncharted storm zone by the pursuing Cylons, the last survivors of the Twelve Colonies discover a vast, mysterious artifact. With half of the crew haunted by chilling dreams of lost Earth, Commander Adama and Captain Apollo find themselves at odds over their course of action– a conflict that leads the leader of humankind to question if the time has come to pass the torch. Will Adama entrust the sanctity of the fleet to the next generation... and if so, would they survive the coming massive Cylon attack without his tactical genius? And finally– the origin of the traitorous Baltar is finally revealed! What kind of man could betray his own species, and how did the Cylons foster his sinister ambition?

Collecting issues 6-12 by Dan Abnett (Guardians of the Galaxy), Dietrich Smith, and Cezar Razek,along with the 2014 annual by Robert Place Napton and Kewber Baal, and featuring all of the covers by Livio Ramondelli, Colton Worley, Chris Eliopoulos, Ken Haeser, Clint Langly, and Kewber Baal.

Our heroes finally arrive in Phoenix and their first encounter with the self-proclaimed Archduke of Arizona, whose charming demeanor is tinged with a merciless arrogance. Diego is welcomed into the Archduke's inner circle of wealthy investors but Django soon finds himself exploring behind the scenes with the silent but intrepid Bernardo. The Archduke's massive railroad project is a being built be the local Yaqui tribes, who are all but enslaved by their master's tyrannical regime. This exciting series is the **first-ever sequel** to any of Quentin Tarantino's films and features one of the original western heroes, the masked crusader known as Zorro!

The Shadow is dead, a victim of a biological weapon... but his soul survives! Believing that their father's ultimate fate rests in the hidden city of Shambala, the twins Chang and Hsu-Tei carry The Shadow's body deep within the Tibetan mountains, only to find themselves hunted by Chinese authorities and the outlaw denizens of a town called Malice. Meanwhile, without their master's guidance, the agents of The Shadow struggle to find their place in a violent, corrupt world. Intent on curing the disease of crime, the unhinged agent Twitch assumes a fearsome identity of his own as The Inoculator... but his brand of vigilante justice draws the attention of a deadly enemy. Will the network of agents survive an assault by The Avenger, a master of disguise as brutal and unrelenting as The Shadow himself?

Dynamite Entertainment proudly presents the complete, ground-breaking "Body & Soul" storyline by Andrew Helfer and Kyle Baker, plus two additional stories of The Shadow's past, revealing the secrets that bind his most loyal agents – Margo Lane, Harry Vincent, Burbank, and more – to his never-ending war!

JEAN-CLAUDE FOREST
BARBARELLA
AND THE WRATH OF THE MINUTE-EATER

### BARBARELLA AND THE WRATH OF THE MINUTE-EATER HC

### Humanoids

I love Barbarella! There, I said it. It's true but probably not for the reasons you imagine. Of course we can't forget Jane Fonda as the live-action incarnation; the poster-child for the sexual revolution of the early 1970's, but the truth about the character itself is much more than what we see on screen. In fact, we wouldn't have the cult-classic film -- and Fonda's legendary role -- without Jean-Claude Forest and his French comic book that jump started more than just our libidos.

If you thought the film was strange and "out-there" then the comic will offer a whole new degree of bonkers for your eyes. You'll see some familiar faces like Pygar and some new faces you could never imagine, all while sometimes forgetting that a comic book this daring and outrageous is over forty years old!

So why do I love Barbarella? Like the movie adaptation, Jean-Claude's original comic series came out to the public as a unique and daring project that challenged the fear of criticism and censorship of its content. Barbarella herself is an explorer, unconcerned with the boundaries of planets and space as she continues to meet new species and new cultures while she's unafraid to reveal her own. Barbarella has never been afraid to speak her mind or apologize for her freedom of thought no matter how outrageous it may seem to others and that's what really resonates. In our current environment, we all live among "aliens" in our own backyard with a multitude of cultures, beliefs, and preferences. On the surface, Barabella may seem like just a centerfold in a form-fitting space suit but, what she really stands for is liberty of thought and action. Challenging the censors and breaking taboos in comics aren't all that unusual these days, but Barbarella did it first and she did it best, all while wearing next to nothing. And not all of us can pull that off.

*(W/A/CA) Michael DeForge*

*First Year Healthy* purports to be the story of a young woman, recently released from the hospital after an outburst, and her burgeoning relationship with an odd, perhaps criminal Turkish immigrant. In a scant 48 pages, working with a vibrant, otherworldly palette of magentas, yellows, and grays, Michael DeForge brings to life a world whose shifting realities are as treacherous as the thin ice its narrator walks on. *First Year Healthy* is all it appears to be and more: a parable about mental illness, a folk tale about magical cats, and a bizarre, compelling story about relationships. Michael DeForge's effortless storytelling and eye for striking page design make each page of *First Year Healthy* a fascinating puzzle to be unraveled. (STK659925) (C: 0-1-1)

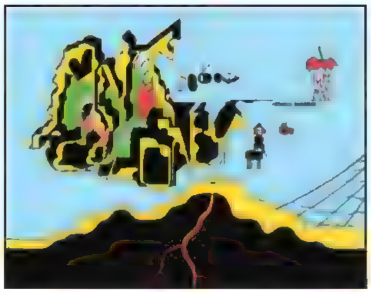
### STARS of the MONTH

### ANT COLONY HC (CURRENT PRINTING)

*(W/A/CA) Michael DeForge*



The debut graphic novel from a dazzling newcomer with a singular, idiosyncratic style, already in a 2nd printing! In the few short years since he began his pamphlet-sized comic book series *Lose*, Michael DeForge has announced himself as an important new voice in alternative comics. *Ant Colony* follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all-too-familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns — loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws. (STK627922)

The COLLECTED
DOUG WRIGHT
CANADA'S MASTER CARTOONIST

### THE COLLECTED DOUG WRIGHT: CANADA'S MASTER CARTOONIST HC

*(W/A) Doug Wright (CA) Seth*

A career-spanning retrospective of one of the masters of North American cartooning Featuring an introduction by Lynn Johnston, *The Collected Doug Wright* presents the first-ever comprehensive look at the life and career of one of the most-read and best-loved cartoonists of the 1960s. Compiled in cooperation with Doug Wright's family, it draws from thousands of pieces of art, pictures, letters, and the artist's own journals to provide a fully rounded view of Wright, both as a cartoonist and as an individual. DENYS WORTMAN'S
NEW YORK
PORTRAIT OF THE CITY IN THE 1930s AND 1940s
EDITED BY JAMES STURM AND BRANDON ELSTON

### DENYS WORTMAN'S NEW YORK TP

*(W/A/CA) Denys Wortman*

In 2008 Denys Wortman's son donated an archive of over 5,000 pieces of original art to the school founded by James Sturm, The Center For Cartoon Studies. The younger Wortman also had drawers full of his father's correspondences including letters and holiday cards from William Steig and Walt Disney. Wortman's peers held him in the highest regard, yet his absence from both fine art and comics history is puzzling. Thus, Sturm and Brandon Elston set out to create a beautiful tribute to the forgotten master. *Denys Wortman's New York* is not only a tribute to Wortman, but it is a tribute to New York, the city that sparked Wortman's voracious creative output. ### THE JOHN STANLEY LIBRARY: MELVIN MONSTER VOLUME 1 HC

*(W/A) John Stanley (CA) Seth*

The classic children's comic strip in a handsome new archival series, designed by Seth. John Stanley is celebrated as one of the great children's comics writers for his work on the *Little Lulu* series. In fact, the *Lulu* work is a small part of his output; he drew and continued to write many other comics, notably his work on the 1960s teen comics from Dell (*Thirteen*, *Dunc and Loo*, and *Kookie*) and his monster comedy strip, *Melvin Monster*. JOHN STANLEY
NANCY

### THE JOHN STANLEY LIBRARY: NANCY VOLUME 1 HC

*(W/A) John Stanley (CA) Seth*

The iconic comic strip character as you've never seen her before, interpreted by John Stanley. In John Stanley's version of the beloved Brillo-headed character, Nancy is no longer a crabby cipher but a hilarious, brilliant, scheming, duplicitous, honest, and loyal little kid-a real little kid. Her adventures with her best friend, the comically destitute Sluggo, involve moneymaking schemes to afford ice-cream sodas, botched trips to the corner store for Nancy's Aunt Fritzi, and comically raucous attempts to remove loose teeth. An iconic character as seen through the eyes of arguably the greatest children's comics writer of all time, John Stanley. (STK396491)

THIRTEEN
GOING ON EIGHTEEN
JOHN STANLEY

### THE JOHN STANLEY LIBRARY: THIRTEEN GOING ON EIGHTEEN HC

*(W/A) John Stanley (CA) Seth*

*Thirteen Going on Eighteen* is a massive 336 page hardcover collecting one of the seminal "teen" comics of the 1960s. Each comic is a darkly hilarious look at the social maneuverings and betrayals of the teen set. John Stanley's stripped down approach perfectly captures the fever pitch of the time. He creates what would otherwise be a teenage sit-com and turns it into an anguished character study. Along with *Melvin Monster* and *Nancy*, this volume showcases the genius of this comics pioneer. TUBBY

### THE JOHN STANLEY LIBRARY: TUBBY VOLUME 1 HC

*(W/A) John Stanley (CA) Seth*

Meet Tubby Tomkins, a mischievous gourmand, rabble rouser and schemer who, along with neighborhood buddies The Fellers, is continually at odds with the belligerent and thwarting West Side Boys headed by Wilbur Van Snobbe, the rich trickster who always gets the girl Tubby likes, Gloria Darling. From clubhouse standoffs to pogo stick time machines, the day is rarely long enough for the hilarious escapades and witty shenanigans that divert and preoccupy the epicurean Tubby and his pals. Consistently humorous and engaging, *Tubby* is a spirited voyage through the prototypal works of a preeminent storyteller. (STK421741)

### MOOMIN: THE COMPLETE TOVE JANSSON COMIC STRIP VOLUME 1 HC

*(W/A/CA) Tove Jansson*

Tove Jansson is revered around the world as one of the foremost children's authors of the twentieth century for her illustrated chapter books regarding the magical worlds of her creation, the Moomins. The Moomins saw life in many forms but debuted to its biggest audience ever on the pages of the world's largest newspaper, the *London Evening News*, in 1954. The strip was syndicated in newspapers around the world with millions of readers in forty countries. This is the first time the strip has been published in any form in North America and has deservedly placed Jansson among the international cartooning greats of the last century. (STK318429)

Walt and Skeezix

### WALT & SKEEZIX VOLUME 1: 1921-1922 HC

*(W/A) Frank King*
*(CA) Chris Ware*

Edited and designed by award-winning comics virtuoso Chris Ware, this is the exciting inaugural title in a multi-volume series, reprinting the first two years of Walt & Skeezix. One of the pioneering giants of American comic strips, Frank King made his lasting mark by creating this iconic comic, which became one of the most widely syndicated and popular strips in North America until King's death in 1969. ### TREASURY OF MINI COMICS VOL. 2

**Edited by Michael Dowers**

**$29.99 / HC / 848 pgs / FC / 5 x 6.25**

*Treasury of Mini Comics Volume Two* gathers more than 800 pages of underground and alternative self-published comics in this compact but hefty hardcover. Previously only seen in limited-run pamphlets, these comics are startling, visionary, hilarious, profane, and profound. Editor Michael Dowers provides a historical survey of several decades' worth of work from some of the medium's most talented creators, including: Johnny Ryan, Trina Robbins, R.K. Sloane, Jeffery Brown, Jim Rugg, Tom Neely, Ellen Forney, Esther Pearl Watson, Renée French, Lisa Hanawalt, J.R. Williams, Pat Moriarity, Souther Salazar, Theo Ellsworth, Nick Bertozzi, Dan Zettwoch, Marc Bell, and many others.

### FOOLBERT FUNNIES: HISTORIES AND OTHER FICTIONS

**by Frank Stack (aka Foolbert Sturgeon)**

**$24.99 / SC / 176 pgs / BW / 7.75 x 10**

Frank Stack has been been quietly creating observational, iconoclastic art for more than forty years and is best known as the artist behind Harvey Pekar's award-winning graphic novel, *My Cancer Year* and as the creator of the first underground comic book, *The Adventures of Jesus*. *Foolbert Funnies* collects comics that ran in *National Lampoon* and other publications and features characters such as Dirty Diana, nostalgic time traveler Frank Crankcase, commonsensical Dr. Feelgood, politician Paddy Booshwah and a host of Amazons, artists, and pulp heroes, all depicted in Stack's scratchy, hatchy "crowquill" style.

## JACO THE GALACTIC PATROLMAN

### Viz Media

Have you felt emptiness in your heart with the absence of *Dragon Ball*? Have you been anxiously awaiting acclaimed creator Akira Toriyama's new work? Are you a fan of quirky buddy comedies? If the answer to any of these questions is yes, then *Jaco the Galactic Patrolman* is what you have been waiting for!

*Jaco the Galactic Patrolman*, the manga miniseries written and illustrated by famed *Dragon Ball* creator Akira Toriyama, is collected in English for the first time. Omori, a scientist researching and developing the early stages of time travel, lives a quiet life as the only resident on an island devoted to his studies. The peacefulness ends abruptly with the arrival of Jaco, a righteous intergalactic police officer, whose presence on Earth is needed to prevent an impending alien threat.

Striking a deal with one another, Omori must assist Jaco in restoring his ship.As they venture onto the mainland for spare parts, things take a wild turn, and hilarity ensues.

The main story contains plenty of Easter eggs to be found by the *Dragon Ball* faithful, yet *Jaco the Galactic Patrolman* is a complete story that is easily accessible to any new reader.

In addition to a wonderful, heartwarming story of friendship, this collection also includes *Dragon Ball Minus*, the story that finally answers, "Who was Goku's mother?"

Tying in quite nicely with the overall *Dragon Ball* epic, *Jaco the Galactic Patrolman* is an absolute must have for any fan of the manga or television show.

**DISNEY'S DARKWING DUCK: DEFINITELY DANGEROUS EDITION TP**
*(W) Aaron Sparrow, Pickup*
*(A/CA) James Silvani*
Mild-mannered Drake Mallard leads a pretty average life: relaxing at home, helping his daughter Goslyn with her homework, and palling around with his best buddy, Launchpad McQuack. But this suburban pastoral doesn't make for very exciting comics. Good thing Drake is secretly the crime-fighting powerhouse, *Darkwing Duck*! Whew, we were worried this would be the most boring solicitation copy in history! Darkwing Duck, aided by Launchpad, Goslyn, and their many allies, fought the forces of darkness in his beloved city of St. Canard for years, keeping the citizens safe from an endless supply of increasingly ridiculous super-villains. When the job was finished, Darkwing slipped into the shadows, not to be seen or heard from again. But just how safe was the city he left behind, and what's going on with the creepy robotic "protectors" the mysterious Quackwerks Corporation has rolled out to take Darkwing's place? When the utopian shine begins to wear off, it looks like St. Canard will need her superhero once again, as long as he comes out of retirement in time! Collecting the entire out-of-print and sold-out comic book series for the first time in one volume, this 400-page blockbuster is big enough to knock out a burglar. It's also completely re-mastered and revised — with an all new epilogue — making this one without a doubt, "The Definitively Dangerous Edition!" (STK660076)

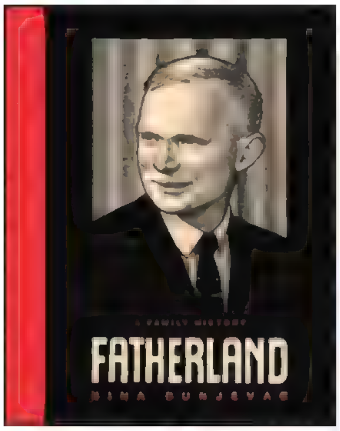
## LIVERIGHT



### FATHERLAND: A FAMILY HISTORY GN

A bomb, an explosion, and the death of a father form the core of this gripping graphic memoir. Standing alongside Marjane Satrapi's *Persepolis* and Joe Sacco's *Palestine*, Nina Bunjevac's *Fatherland* is a searing work of graphic nonfiction that tells the history of the Balkans in the twentieth century through the experiences of the author. In 1975, Bunjevac's mother flees her marriage and adopted country of Canada, taking Nina then only a toddler and her older sister back to Yugoslavia to live with her parents. Nina's father, Peter, was a diehard Serbian nationalist who had been forced to leave his country in the 1950s. Remaining in Canada, Peter became involved with a terrorist organization bent on overthrowing the Communist Yugoslav government and attacking its supporters in North America. Through exquisitely haunting black-and white art, *Fatherland* tells an unforgettable true story of how the scars of history are borne by family and nation alike. ### YO MISS: A GRAPHIC LOOK OF HIGH SCHOOL GN

*(W/A/CA) Lisa Wilde*
Takes the reader inside Wildcat Academy, a second chance high school in New York City where all the students are considered at-risk. Through strong and revealing black and white images, the book tells the story of eight students who are trying to get that ticket to the middle class — a high school diploma. Whether they succeed or not has as much to do with what happens outside the classroom as in, and the value of perseverance is matched by the power of a second chance. It is a story that shows these teens in all their beauty, intelligence, suffering, humor, and humanity. A view from the trenches of public education, *Yo, Miss* challenges preconceptions about who these kids are, and what is needed to help them graduate. (STK659886)

### LUCIFER'S SWORD: LIFE AND DEATH IN AN OUTLAW MOTORCYCLE CLUB GN

Outlaw motorcycle clubs keep their own secrets. Phil Cross, a Hells Angel for over 40 years, has created a fictional story inspired by real events that can't be told openly. A graphic novel by a lifelong motorcycle club member, inspired by the secrets of one percenters. In the world of outlaw motorcycle clubs, there are many stories that can't be told, for a variety of reasons. One-percenter antiheroes populate these pages, tougher and wilder than any character ever played by Dennis Hopper, Peter Fonda, or Marlon Brando. Illustrator Ronn Sutton provides stunning visuals to bring Phil's stories to life. These bikers aren't going to ride off into the sunset any time soon. (STK658483)

Sixth months into his first term, President Stephen Blades is attempting to salvage his administration from the revelation he received on his Inauguration Day—an alien presence is building something in the asteroid belt, and the previous president covered it up while sending a manned mission aboard a ship named the *Clarke* to investigate.

Blades has a plan to end the Middle Eastern wars begun by his predecessor, and to start preparing American for the truth about what's coming... but he's facing serious threats from within his own government and a new, mysterious danger from abroad. Meanwhile, the brave astronauts of the *Clarke* finally meet the aliens... but what they learn seems likely to doom Earth.

## BURNING FIELDS
### BOOM! Studios

Amongst the towering ominous metal oil derricks of modern-day Iraq gruesomely maimed bodies begin to turn up. These are not just your typical murders, though. These bodies are unnaturally mutilated and to Iraqi Special Investigator Aban Fasad show signs of a deep-rooted evil power. But this isn't your average oil derrick, either. Operated by the shadowy American company known simply as Verge, something else seems afoot. You get the feeling that this company may be hiding something, may have a track record for less-than-sincere, undisclosed operations. And this is what brings Chicago P.D. Detective Dana Atkinson and former U.S. Marine Sergeant Nelson Kendrick back together and back to Iraq to investigate this string of grotesque killings.

BOOM's newest series, *Burning Fields*, is the essence of crime scene investigation with a supernatural twist. It's *X-Files* meets *Se7en*, and for any fan of the crime procedural, supernatural conspiracy theory, or serial killer investigation this will undoubtedly be a comic for you! Writers Michael Moreci and Tim Daniel and artist Colin Lorimer (*Curse*) do a fantastic job of rooting the supernatural elements in events taking place today and with that *Burning Fields* promises to bring smart, eerie, (and slightly grisly) entertainment!

WEIRD TALES OF THE FUTURE

### PRE-CODE CLASSIC: WEIRD TALES OF FUTURE VOLUME 1 SLIPCASE EDITIION

Bug-eyed monsters, two-timing homicidal husbands and wives, rampaging corpses and even one or two cases of severe halitosis or crossed-eyes, this title has the lot, including a better-than-healthy dose of the one and only Basil Woverton. Just the covers alone have had the gang at PS muttering in their sleep just crossing off the days that this baby would come along. And here it is. This is the way comicbooks should be! ### ROY THOMAS PRESENTS DICK BRIEFER'S FRANKENSTEIN: 1952-53 HC

*(W) Roy Thomas & Various*
*(A/CA) Dick Briefer*
Dick Briefer's *Frankenstein* is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools-humor and horror-Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now! Collects issues #22-27, December 1952/January 1953 to October/November 1953. ### ROY THOMAS PRESENTS: DICK BRIEFER'S FRANKENSTEIN: 1945-1946 HC

*(W) Roy Thomas & Various*

*(A/CA) Dick Briefer*

Dick Briefer's *Frankenstein* for Prize Comics is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools — humor and horror — Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now, of course! This volume collects stories published between 1945 and November/December 1946. (STK617904)

William Twining has it all — a sharp intelligence, dashing good looks, and a noble station in life. There's only one problem: he's broke. William's logical worldview is about to take a hit, when he comes across a mystical seal which he unintentionally uses to summon a demon. The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny — that he is the new "Elector" whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad, but not William Twining. None of this can possibly be real — can it? — and besides, he's got bills to pay. (STK658999) (C: 0-1-0)

PRODUCTIONS

**March**, the graphic memoir of Civil Rights movement leader and Congressman John Lewis, continues this January with the release of **March Book Two** (STK649772, $19.95) from Top Shelf Productions. This volume picks up where **March Book One** left off, chronicling Rep. Lewis' time with the Freedom Riders and culminating in the 1963 March on Washington for Jobs and Freedom, where Martin Luther King, Jr. delivered his famous "I Have a Dream" speech.

Rep. Lewis, along with co-writer Andrew Aydin and artist Nate Powell discussed **March Book Two**, how this volume compares to the first, and how the tales related in the series compare to events today.

***P: What are the major events you'll be covering in Book Two?***

**ANDREW AYDIN:** Nate and I joke about this sometimes, but it's really pretty accurate: If **Book One** is *Star Wars*, then **Book Two** is our *Empire Strikes Back*. The stakes are higher, the heroes are stronger, more prepared, and the danger is more lethal.

**Book One** focused on the congressman's childhood and coming of age, studying and rehearsing in nonviolence workshops with the Nashville Student Movement, launching a sit-in campaign that successfully forced the city to integrate lunch counters, and eventually the formation of SNCC (the Student Nonviolent Coordinating Committee). Now with **Book Two**, we show how these young people became a truly national force, and one of the key elements of the broader Civil Rights Movement.

**REP. LEWIS:** So we talk about the Freedom Rides: a group of us, about a dozen people, black and white, young and old, set out on a Greyhound bus and a Trailways bus to ride through the heart of the deep South, to test the Supreme Court decision prohibiting segregation on buses. We were attacked several times, beaten, left lying in a pool of blood. One of the buses was set on fire. We knew that we might die. But we continued the Freedom Ride. More and more riders joined the movement. It became front-page news. Attorney General Robert Kennedy got involved, the governor of Alabama got involved, we were arrested several times, we spent weeks in Parchman State Penitentiary... but we dramatized the issue to the nation, and around the world, to see the reality of segregation in America.

**Book Two** also shows the March on Washington on August the 28th, 1963. I was 23 years old — I had just been elected chairman of SNCC a few months earlier, and after about a week I was invited to the White House along with representatives of several other organizations to discuss plans for the march. And it worked so beautifully. It was an unbelievable day. So many people worked so hard to organize a peaceful, orderly, nonviolent march. It really represented the best of America. Hundreds of thousands of people coming together to say "we want our freedom and we want it now." I spoke number six that day. Dr. King spoke number ten, when he said "I have a dream." And out of everyone who spoke that day, I'm the only one still around. So we tell the story.

### MARCH BOOK TWO GN

*(W) John Lewis, Andrew Aydin*
*(A/CA) Nate Powell*

Congressman John Lewis, an American icon and one of the key figures of the civil rights movement, continues his award-winning graphic novel trilogy with co-writer Andrew Aydin and artist Nate Powell, inspired by a 1950s comic book that helped prepare his own generation to join the struggle. Now, *March* brings the lessons of history to vivid life for a new generation, powerfully and urgently relevant for today's world. After the success of the Nashville sit-in movement, John Lewis' commitment to social change through nonviolence is stronger than ever — but as he and his fellow Freedom Riders board a bus into the vicious heart of the deep south, they will be tested like never before. Faced with beatings, police brutality, imprisonment, arson, and even murder, the movement's young activists place their lives on the line while internal conflicts threaten to tear them apart. But their courage will attract the notice of powerful allies, from Martin Luther King, Jr. to Attorney General Robert F. Kennedy — and once Lewis is elected chairman of the Student Nonviolent Coordinating Committee, he'll find himself helping to lead the greatest demonstration in American history: the 1963 March on Washington for Jobs and Freedom. ### MARCH BOOK ONE GN

*(W) John Lewis, Andrew Aydin*
*(A/CA) Nate Powell*

**New Printing!** As seen on *The Colbert Report* and CNN, this is the first graphic novel from a sitting member of Congress, Presidential Medal of Freedom recipient, and American icon. John Lewis rose from humble beginnings to become a national leader of the civil rights movement. This is his story, from an Alabama farm to the March on Washington and beyond, co-written by Andrew Aydin and brought to astonishing life by Nate Powell in a graphic novel trilogy. With a back cover blurb by President Bill Clinton! (STK529383)

### MARTIN LUTHER KING AND THE MONTGOMERY STORY (ONE-SHOT)

*(W) Alfred Hassler, Benton Resnik*
*(A/CA) Benton Resnik*

Nearly sixty years after its creation, a little-known landmark of comic book history returns! This 16-page comic is a simple but revolutionary account of the 1955 Montgomery Bus Boycott, in which Rosa Parks, Dr. King, and 50,000 others used the power of nonviolence to battle segregation on city buses — and win. First published in December 1957 by the Fellowship of Reconciliation, it went unnoticed by the mainstream comic book industry but spread like wildfire among civil rights groups, churches, and schools, helping to mobilize a generation to join the global fight for equality — nonviolently. Personally endorsed by Martin Luther King, Jr. himself, this new fully-authorized reprint edition is published by the Fellowship of Reconciliation in partnership with Top Shelf Productions. All proceeds go to F.O.R.'s work promoting nonviolence around the world. (STK634245)

### MADDY KETTLE VOLUME 1: THE ADVENTURE OF THE THIMBLEWITCH GN

*(W/A/CA) Eric Orchard*

Maddy is an eleven year old girl with a pet toad named Ralph. And they're on a rather big adventure right now, as her parents are currently kangaroo rats — having been put under a spell. On their way to find the Thimblewitch to sort everything out, they battle Spider Goblins and befriend two endearing Cloud Mappers, Harry the bear and Silvio the raccoon, who help them get where they're going. We won't tell you what happens next, but we can assure you that it's a beautiful and magical ride. An all-new, ongoing, all-ages series coming from Spectrum award-winning cartoonist Eric Orchard and Top Shelf! (STK643008)

## WILD BLUEYONDER TP

### IDW Publishing

*Wild Blue Yonder* was a series that took me by surprise and instantly became an IDW title that I had to read with each release. The series gives us a glimpse of what could happen in a reality where humanity has abused the earth so thoroughly that the surface is poisoned to the point that we have been forced to move our civilization to the skies. Living on the surface is a death sentence.

The lucky few in the sky living in airships may be safe from the poisonous planet surface but are now locked in life and death struggle for any remaining resources they can get their hands on. Food, fuel, bullets, and just about everything else are in such short supply that any living person could be forced to commit atrocities to survive and protect the ones they love on a daily basis or risk plummeting to the Earth and death.

The protagonist Cola is an ace pilot and Tugg, her gunner, is learning to be a merciless fighter with a jetpack and an axe. Together with their fellow crewmates on the *Dawn*, an airship kept aloft by renewable energy negating their need for fuel, they keep the *Dawn* safe from others who would seek to steal it to save their own hides.

If you missed out on the individual issues then pick up the *Wild Blue Yonder* collected trade paperback to see if Cola and Tugg can defend the *Dawn* to fly another day.

### MODERN MASTERS VOLUME 30: PAOLO RIVERA SC

Eisner and Harvey Award-winner Paolo Rivera grew up in his parents' art store, so it's no wonder his life's path is that of an artist. And not just your run-of-the-mill comic book artist, but a painter, penciler, inker, colorist, and sculptor — Paolo does it all! From the pulp magazine feel of *Mythos* to the cinematic adventure of *Spider-Man* and the sleek stylings of *Daredevil*, Paolo brings a fresh storytelling approach to each project he illustrates. Eric Nolen-Weathington goes behind the scenes with Paolo to explore his career and his technique with access to his archives of published and unpublished work, including an extensive gallery of commissioned pieces, many in in full-color. ### MY NEIGHBOR SEKI VOLUME 1 GN

*(W/A/CA) Takuma Morishige*

*My Neighbor Seki* is a high school comedy manga in the vein of *Yotsuba* and *Azumanga Daioh*. *My Neighbor Seki* is a collection of short stories that revolve around two classmates who sit at the back of their high school homeroom. In each chapter Seki devises a new way to kill time in his school desk, to best avoid boredom. And along the way, he ends up distracting the girl who sits next to him, Rumi, whose mind goes wild as Seki pushes the limits of his disobediance. ### THE LAST DAYS OF MANKIND GN

*(W/A/CA) David Boller*

One hundred years ago, one of the history's great tragedies began on June 28, 1914. The assassination of the heir to the throne Franz Ferdinand and his wife in Sarajevo set in motion a chain reaction that ended in what is today known as WWI. At the time Austrian writer Karl Kraus wrote his epic masterpiece *The Last Days of Mankind*, about the sentiments during the time of the war which seems as relevant today as it was back then. Reporting mostly from the point of view of Austrian society in Vienna, this satirical and eye-opening graphic novel teaches us one thing; In regards to war, mankind has learned absolutely nothing in 100 years. The manga adaptation of the bestselling anime and light novel phenomenon! Yuuki Asuna was a top student who spent her days at cram school and preparing for her high school entrance exams — but that was before she borrowed her brother's virtual reality game system and wound up trapped in *Sword Art Online* with ten thousand other frightened players. As time passes, Asuna fears what will become of her life outside the fantasy realm. Unwilling to wait on the sidelines for more experienced gamers to beat the game, Asuna employs her study habits to learn the mechanics of game and swordplay. Her swiftness impresses Kirito, a pro gamer who invites Asuna to join the best players on the front lines. Is Asuna ready to swap class rankings for player rankings and join Kirito? ### UNTIL DEATH DO US PART VOLUME 8 GN

*(W/A) Hiroshi Takashige (CA) Double - S*

On the run from a greedy corporation, a young precog seeks protection from an unlikely swordsman. Haruka has begun schooling again, nestled among Jesus' forces at Aitou Academy. The teaching staff should deter most groups from making a move against Haruka, but stronger organizations could still pose a threat no matter where she hides. Seven warriors of Galboa's most elite unit have already announced their intentions to seize Haruku by force. Jesus may be able to cut off the attackers before they enter the school, but not if one has already made it inside; the operative called "Invisible" seems to be just what his codename boasts! ### CONSIDERING WATCHMEN: POETICA, PROPERTY, POLITICS SC

*(W) Andrew Hoberek*
Alan Moore and Dave Gibbons's *Watchmen* has been widely hailed as a landmark in the development of the graphic novel. *Considering Watchmen* gives readers a new appreciation of just how radical Moore and Gibbons's blend of gritty realism and formal experimentation was back in 1986. The book also considers *Watchmen*'s place in the history of the comics industry, as well as how it has had profound effects on literature as a whole. Andrew Hoberek examines how Moore and Gibbons engaged with the emerging discourses of neoconservatism and neoliberal capitalism, ideologies that have only become more prominent in subsequent years. ### THE HORROR COMICS: FIENDS, FREAKS & FANTASTIC CREATURES SC

*(W) William Schoell*

William Schoell examines the evolution of the genre from the Golden Age, through the Silver Age in the 1960, up until the end of the Bronze Age in the early 1980s. Included are the earliest series, like American Comics Group's *Adventures into the Unknown* and Prize Comics' *Frankenstein*, and the controversial and gory comics of the '50s, such as EC's infamous and influential *Tales from the Crypt*. The explosion of horror titles following the relaxation of the comics code in the '70s is fully documented with chapters on Marvel's prodigious output, DC's anthologies and titles such as *Swamp Thing*, as well as the notable contributions of firms like Gold Key and Atlas. This book examines how horror comics exploited everyday terrors, and often reflected societal attitudes toward women and people who were different. (STK659082)

### WONDER WOMAN: BONDAGE AND FEMINISM IN THE MARSTON/PETER COMICS SC

*(W) Andrew Hoberek*

William Marston was an unusual man — a psychologist, a soft-porn pulp novelist, more than a bit of a carny, and the (self-declared) inventor of the lie detector. He was also the creator of Wonder Woman, the comic that he used to express two of his greatest passions: feminism and women in bondage. Comics expert Noah Berlatsky takes us on a wild ride through the *Wonder Woman* comics of the 1940s, vividly illustrating how Marston's many quirks and contradictions, along with the odd disproportionate composition created by illustrator Harry Peter, produced a comic that was radically ahead of its time in terms of its bold presentation of female power and sexuality. ### THE LAST AMERICAN VAMPIRE HC

*(W) Seth Grahame-Smith*

Seth Grahame-Smith returns to his vampire/horror/history roots in *The Last American Vampire*, the follow-up to *Abraham Lincoln: Vampire Hunter*. Seth takes the sweeping, Howard Zinn approach to tell the alternative vampire history of 20th century America, as seen through the eyes of the vampire Henry Sturges, Abe's teacher. In Reconstruction-era America, Henry is searching for renewed purpose in the wake of his friend Abraham Lincoln's shocking death. Seth Grahame-Smith ingeniously weaves vampire history through Russia's October Revolution, the First and Second World Wars, and the JFK assassination. The final, elegiac act ends in 2001 with the vampire species in steep decline, and a world-weary Henry retreating from civilization. (STK659498) (C: 0-1-0)

**FAMOUS MONSTERS OF FILMLAND #271**

Available for the first time in ***PREVIEWS***, issue #271 of *FM* pays tribute to one of cinema's most legendary monster makers: Ray Harryhausen! From friendly mechanical owls to misunderstood Venusians to giants bent on death and destruction, Harryhausen took lumps of clay and breathed life into them, imbuing each with a unique soul. Films like *Jason and the Argonauts*, the *Sinbad* series, *20 Million Miles to Earth*, and *Clash of the Titans* made him a legend. Plus, take a journey through a half century in the *WHOniverse*! We have a look at how the longest running Sci-Fi show got started, writers and artists making a case for their favorite Doctor, and a history of the widely underappreciated series of *Doctor Who* audio dramas. **HORRORHOUND MAGAZINE #51**

For the 51st issue of *HorrorHound Magazine*, we take a break from celebrating the horrors hidden under the bed, in the closet, down the sewers, or in your dreams — and instead look to the skies! Over the past 50-plus years, horror's fantasy-driven brother-in-arms, Sci-fi, has delivered some of the most amazing creatures, aliens and monsters seen on-screen. Fantastic space-horrors continue to invade, war with, and collide with Hollywood. One of the most iconic being 1955's *This Island Earth*, which birthed the iconic "Metaluna Mutant"! We celebrate these otherworldly monsters in a special retrospective treatment. Paired with our sneak peek into 2015's most exciting horror films, including *Crimson Peak, The Conjuring 2* and *Goosebumps*. Regular columns such as "Horror's Hallowed Grounds", "Kitley's Krypt" and "VHS Invasion" are also included! (STK660329) (Horrorhound Ltd) (C: 0-1-1)

### LORBO 7-INCH VINYL FIGURE

*(A) Jim Woodring*

*From Jim Woodring.* Behold LORBO, temporalities, and shudder! LORBO, the trans-dimensional stateless prodigy from the underlying realm of SKUUVUUNUM has entered your world and nothing will ever be the same! You speak of the human race continuing — phaugh! You have reckoned without the ministrations of LORBO, the catalytic emissary whose mission is to strip away the surface from your puny reality to show you the illimitable SKUUVUUNUUM where you will spend the remainder of eternity! You have long feared this day; now the time for speculating has ended and the time for involuntary enlightenment has commenced! LORBO will make its plans known to you slowly, subtly: through the sudden appearance of new technology; through the vanquishing of ancient foes; through the retroactive alteration of history. You are not the crown of creation; to LORBO, with its 17 senses and IQ of 39,000 you are lower than a mouse is to you. And yet you are crucially important to the cosmic equilibrium of forces... as you will discover, to your astonishment and dismay! See the truth! Prepare for LORBO! LORBO makes itself known to those it has chosen to interact with. If you know about LORBO, you have been selected. Comes in plastic bag with silkscreen print of the name of Kaijin (traditional Japanese Kaijin toy style) and original artwork header card by Jim Woodring. ### STAR TREK ENTERPRISE: USS ENTERPRISE NX-01 REFIT 1/1000-SCALE MODEL KIT

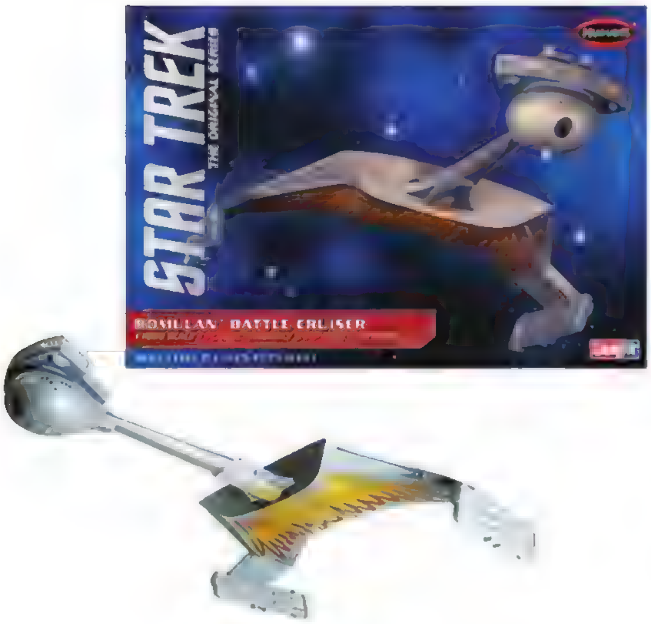
The last *Star Trek* television show was simply called *Enterprise*. It featured the predecessor to the famous *U.S.S. Enterprise* NCC-1701. The *Enterprise* NX-01 was the first interstellar exploration craft. Though the shape was sleak, it lacked certain aspects that came with the expectations of an "Enterprise." After the show wrapped up series production designer, Doug Drexler, took the ship's design to the next stage. By adjusting the warp engines a bit and adding a secondary hull, the NX-01 Refit bore a closer resemblance to Captain Kirk's version of the ship. This kit includes options to build either the NX-01 or, for the first time, the NX-01 Refit version of the *Enterprise*. The box art features new rendering by ship designer Doug Drexler. (STK659585) Scheduled to ship in January 2015. (7170/POL89812) (C: 1-1-1) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

Model Kit......................................................................................................$28.99



### STAR TREK: ROMULAN BATTLE CRUISER 1/1000-SCALE MODEL KIT

Besides the Klingons, the most well known villains in *Star Trek* were the Romulans. It is a little known fact that the two enemy races had formed an alliance that allowed them to trade military technology with each other. One result of the pact was the Romulan version of the D-7 Battle Cruiser as depicted in "The *Enterprise* Incident". In the episode, the *U.S.S. Enterprise* was surrounded by Romulan commanded versions of the ship. This kit brings the concept to life with blazing Romulan bird graphics that truly set it apart form its Klingon counterpart. This 1/1000-scale model kit is skill level 2, and requires neither paint nor glue to complete. (STK659586) Scheduled to ship in January 2015. # Attack on Titan

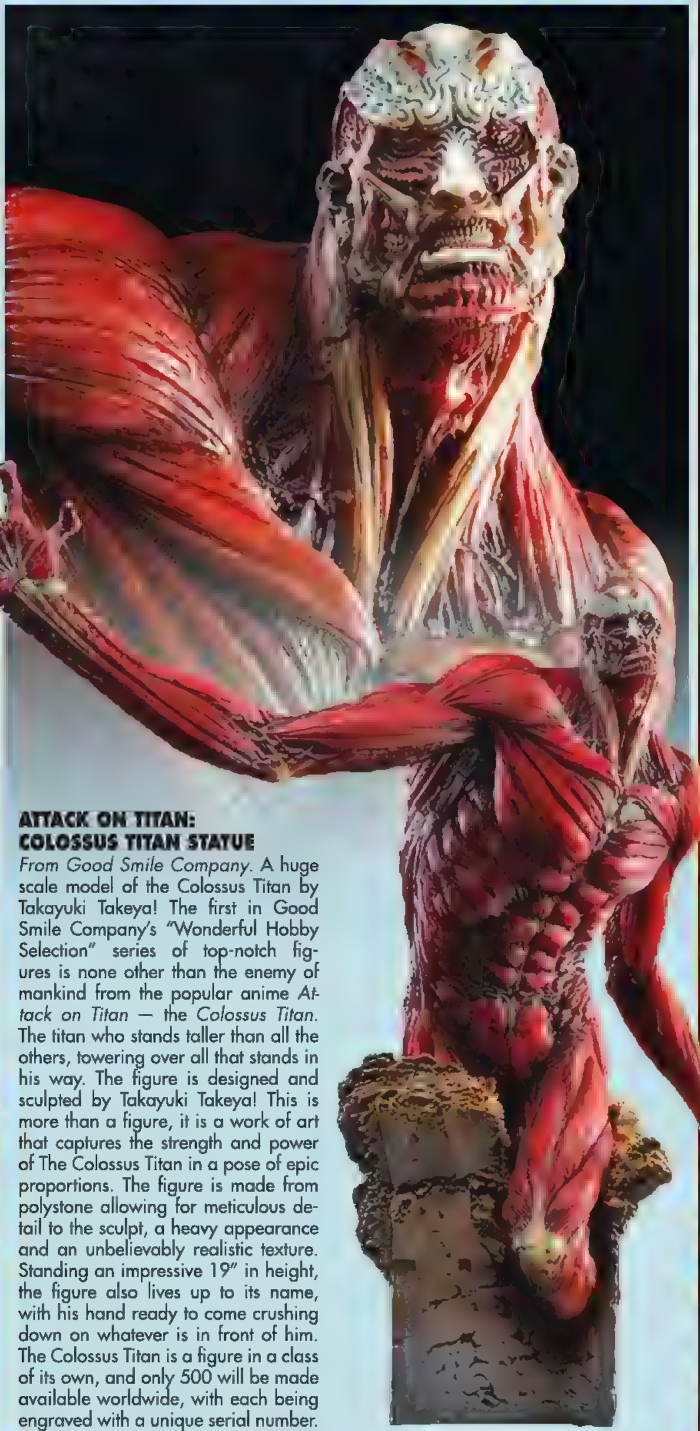
## SPOTLIGHT ON



**ATTACK ON TITAN: COLOSSUS TITAN STATUE**

*From Good Smile Company.* A huge scale model of the Colossus Titan by Takayuki Takeya! The first in Good Smile Company's "Wonderful Hobby Selection" series of top-notch figures is none other than the enemy of mankind from the popular anime *Attack on Titan* — the *Colossus Titan.* The titan who stands taller than all the others, towering over all that stands in his way. The figure is designed and sculpted by Takayuki Takeya! This is more than a figure, it is a work of art that captures the strength and power of The Colossus Titan in a pose of epic proportions. The figure is made from polystone allowing for meticulous detail to the sculpt, a heavy appearance and an unbelievably realistic texture. Standing an impressive 19" in height, the figure also lives up to its name, with his hand ready to come crushing down on whatever is in front of him. The Colossus Titan is a figure in a class of its own, and only 500 will be made available worldwide, with each being engraved with a unique serial number. **Note:** Previously offered in ***PREVIEWS*** *Plus* #1144. ## A huge scale model of the Colossus Titan by Takayuki Takeya!

The first in Good Smile Company's 'Wonderful Hobby Selection' series of top-notch figures is none other than the enemy of mankind from the popular anime 'Attack on Titan' - The Colossus Titan. The titan who stands taller than all the others, towering over all that stands in his way. The figure is designed and sculpted by Takayuki Takeya! This is more than a figure - it is a work of art that captures the strength and power of The Colossus Titan in a pose of epic proportions. The figure is made from polystone allowing for meticulous detail to the sculpt, a heavy appearance and an unbelievably realistic texture. Standing an impressive 490mm in height, the figure also lives up to it's name, with his hand ready to come crushing down on whatever is in front of him. No matter what angle you choose to look from he is a treat to the eyes - and the closer you look the more details you'll see!

The Colossus Titan is a figure in a class of its own, and only 500 will be made available worldwide, with each being engraved with a unique serial number. (Serial numbers will be distributed at random. You cannot select which number you will receive.)

### IRON MAN 3: HALL OF ARMOR SERIES MK VII ACTION HERO VIGNETTE

*From Dragon Models.* Dragon Models and DART (Dragon Advanced Research & Technology) are excited to introduce our latest innovation in 3D technology, Marvel's *Iron Man 3 Action Hero Vignettes* in 1/9-scale. Pre-painted and with just the snap of a few parts, you can have a highly detailed desktop display of your favorite Avenger! The use of model kit techniques allow us reproduce the intricate details and sharp lines to maximize the usage of the official 3D character scan of the Mk. VII Iron Man armor from the Hall of Armors seen in *Iron Man 3*. The use of the static display concept ensures that there are no cooling lines on the torsos and no visible ball joints that are prominent in most "action" figures. Additionally, the figures are set in a Marvel suggested pose so that the body portions won't be deformed when the poses are changed. (STK660712) Scheduled to ship in February 2015. ## METAL GEAR SOLID

## FEATURED ITEM

**METAL GEAR SOLID V:**
**THE PHANTOM PAIN PLAY ARTS KAI:**
**VENOM SNAKE**
*From Square Enix.* From the hotly anticipated addition to the legendary *Metal Gear Solid* franchise, *Metal Gear Solid V: The Phantom Pain*, it's *Venom Snake* joining the Play Arts ~KAI~ action figure line! This product line implements new joint structures, enabling smooth articulation at the elbows and knees. Also, the neck and ankles, as well as the shoulders, have a more natural look, thanks to a flexible resin to ensure a wider range of motion. His extremely fit body line and the recreation of the texture on his muscles exude a sense of tension and resilience unique to Snake. The knife, rifle, and handgun, all originally designed, are recreated in extreme detail. His head, complete with the facial expression recreated from the CG rendering from *MGS V*, can be interchanged with a piece that shows him with his scope on. This figure is complete with a smooth appearance and a wide range of motion, and comes with interchangeable head, hands, weapons parts, and display stand! **Note:** Previously offered on ***PREVIEWS*** *Plus* #1147. VENGEFUL SPIRIT
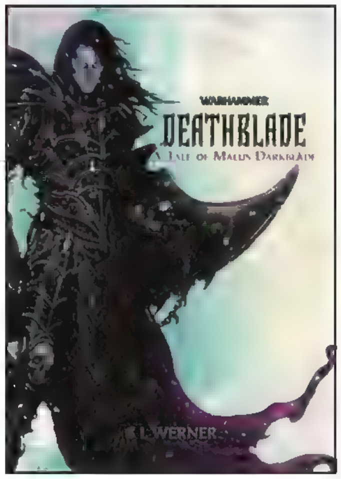
The Battle of Molech

**WARHAMMER 40K: VENGEFUL SPIRIT MMPB**
*(W) Graham McNeill*
Once the brightest star in the Imperium and always first among his primarch brothers, Horus has dragged the Space Marine Legions into the bloodiest conflict that the galaxy has ever seen. While their allies wage war on a thousand different fronts, the XVIth Legion descend upon the Knight world of Molech, home to the ruling House Devine and a principal stronghold of the Imperial Army. The forces loyal to the Emperor stand ready to defy the Warmaster, but just what could have drawn Horus to attack such a well defended planet and what might he be willing to sacrifice to fulfill his own dark destiny? (STK660859) (C: 0-1-2)
SC, 5x7, 544pgs, B&W....................................$9.99



**WARHAMMER: DEATHBLADE: A TALE OF MALUS DARKBLADE HC**
*(W) C. L. Werner*
It has taken decades, but Malus Darkblade has finally plotted, schemed, and murdered his way to power, as the ruler of the city of Hag Graef and general of the Witch King Malekith's armies. But his position is imperiled when Malekith orders an all-out assault on Ulthuan — with Darkblade in the vanguard. As he wages war on the high elves, Darkblade must decide where his loyalties lie; will he follow Malekith to the death, or will he finally rise up and try to claim the throne of Naggaroth for himself? And either way, will he survive? (STK660858) (C: 0-1-2)

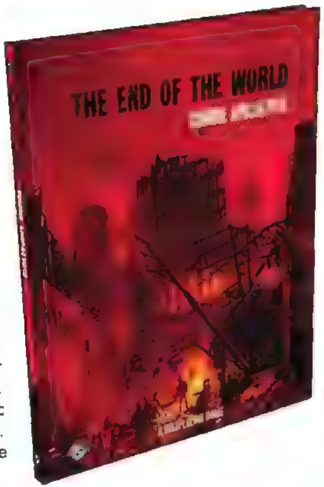
### ANDROID NETRUNNER LCG: THE ORDER AND CHAOS EXPANSION

Where is humanity headed? Jack Weyland wants to take us to the stars, but what will be the human cost of his efforts? In *Order and Chaos*, the third deluxe expansion for *Android: Netrunner*, three new subversive Anarchs seek to trash the bleeding edge ice and operations with which the Weyland Consortium intends to safeguard its most far-sighted and futuristic ambitions. The expansion's 165 new cards (three copies each of fifty-five individual cards) focus primarily on the Anarchs and Weyland Consortium, though all factions can benefit from its new ice, assets, programs, and resources. (STK660893) (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

Expansion Set ............ $29.95



### THE END OF THE WORLD: ZOMBIE APOCALYPSE RPG

Come face to face with the living dead in *Zombie Apocalypse*, the first book in *The End of the World* roleplaying line! This roleplaying game offers you the chance to imagine unique adventures, playing as yourself during the tumult of the apocalypse, relying upon your own skills, wits, and talents to survive. Five scenarios each offer a different setting and sub-genre for the rise of the undead. Moreover, each scenario contains sections for both the apocalypse and post-apocalypse, challenging you to navigate the initial panic and forge a new life after the world's ending. (STK660896) (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

SC, 144pgs, FC ............ $39.95

### GAME OF THRONES LCG: A TIME FOR WOLVES CHAPTER PACK

*A Time for Wolves* is the fourth Chapter Pack in the *Wardens* cycle for *A Game of Thrones: The Card Game*. As the realm's most ambitious lords and ladies try to win the strength of the Vale to their cause, A Time for Wolves introduces sixty new cards (three copies each of twenty different cards) that ensure House Arryn and the Vale will make their mark. Among the Chapter Pack's twelve unique characters and locations, no fewer than five characters bear the House Arryn trait, including such notable figures as Petyr Baelish, Alayne Stone, and Lysa Arryn. (STK660897) (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

## FEATURED ITEM

### STAR WARS: IMPERIAL ASSAULT BOARD GAME

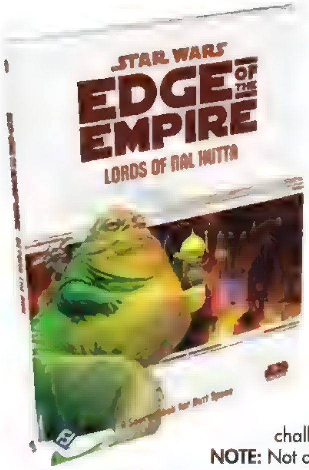
Enter the classic *Star Wars* saga and vie for the fate of the galaxy in the dramatic ground conflicts of Imperial Assault, a board game of tactical combat and adventure for two to five players! This game introduces two complete play experiences, a campaign game and a skirmish game. In a campaign, one to four players play heroes of the Rebellion, engaging in cinematic missions and battling the Imperial armies under the command of a single player. The skirmish game, on the other hand, allows two players to muster strike teams and battle head-to-head in Imperial bases, the jungles of Yavin 4, and other cinematic *Star Wars* environments. (STK660901) (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

Board Game ............ $99.95

### STAR WARS LCG: EVASIVE MANEUVERS FORCE PACK EXP

*Evasive Maneuvers* is the third Force Pack in the *Rogue Squadron* cycle for *Star Wars: The Card Game*. Its ten new objective sets (two copies each of five unique objectives) reinforce the cycle's main themes as new pilots arrive to fly your starships to victory. Meanwhile, as the Rebellion sends new capital ships to battle, you might interrogate prisoners with the Sith, or you might hire a deadly assassin in a dusty cantina on Tatooine. Call up your ace pilots, launch your starfighters, and dodge enemy fire with *Evasive Maneuvers! (STK660898)* (C: 0-1-2) **NOTE:** Not available in the UK, Germany, France or Spain.

Expansion Pack ............ $14.95



### STAR WARS: EDGE OF THE EMPIRE RPG: LORDS OF NAL HUTTA SOURCEBOOK

*Lords of Nal Hutta* is a Hutt Space sourcebook for the *Star Wars: Edge of the Empire* Roleplaying Game that allows you and your friends to escape the oppressive rule of the Empire and engage in devious schemes with the galaxy's slimiest and most notorious gangsters: the Hutts. In its 144 pages, *Lords of Nal Hutta* offers Game Masters all the information they need to bring the most corrupt and lawless stretch of the galaxy to life, including its history, new playable species, new creatures, challenges, and plot hooks. ### THE AMBITION OF ODA NOBUNA: THE COMPLETE COLLECTION

織田信奈の野望
The Ambition of Oda Nobuna

*From Sentai Filmworks.* Yoshiharu Sagara thought he knew his Japanese history backwards and forwards, but when he inexplicably finds himself in the past, everything he thought he knew was wrong and he's in a very different history altogether! Because not only is this timeline's version of the legendary (and very male) Oda Nobunaga now the cute (and very female) Oda Nobuna, but one of the first things Yoshiharu manages to accidentally accomplish is getting one of the Sengoku era's most important historical figures killed! Still, when you're stuck in the past, have a semi-reliable knowledge of one possible future and there's now a vacancy in the history books, what's your best present course of action? Aligning yourself with someone with the potential to become one of the most powerful warlords in any of Japan's possible histories might not be a bad start! (STK660012) (C: 0-1-1)

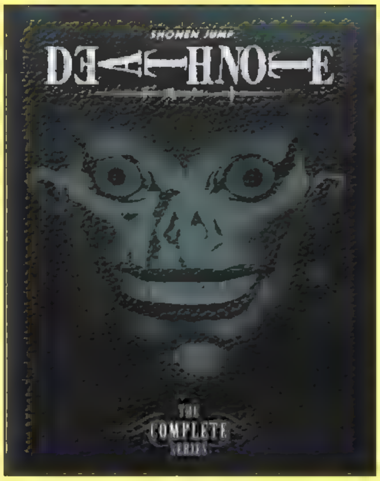
### DEATH NOTE: THE COMPLETE SERIES



*From Viz Media!* Some teenagers walk around with a chip on their shoulder: Light Yagami has a Shinigami (death god) named Ryuk hovering over his shoulder! Although he's one of the top-ranked high school students in Japan, Light is repulsed by the lack of justice he sees in the world—until he finds Ryuk's notebook, the *Death Note*. If anyone writes the name of a human in the book, that person dies minutes later. After testing the Death Note's powers, Light launches a grandiose vigilante campaign to rid the world of criminals to create his vision of a perfect society. But the baffling string of deaths inevitably attracts the attention of the police, who turn the case over to the secretive master crime solver known only as "L". Although he's as brilliant as he is arrogant, Light finds himself hard-pressed by L in their deadly game of cat and mouse. He tries to use Misa, a teen idol who's acquired her own Death Note and Shinigami, to destroy L, but is outfoxed by his nemesis. To ensure Light does nothing without his knowledge, L has them handcuffed together. Although it begins slowly, *Death Note* gets better with each installment, as the stakes grow higher in the duel of wits between Light and L. Director Tetsuro Araki plays up their physical differences: Light is cool, handsome and well-groomed; slovenly L seems to think with his twitchy bare feet as well as his redoubtable brain. Neither character is particularly likeable initially, but they become intriguing as the viewer gets to know them Through the series' 37 episodes. (STK660773) (C: 0-1-1)

### INFINITE STRATOS: THE COMPLETE SEASON TWO

*From Sentai Filmworks.* There are probably worse things that could have happened to Ichika Orimura than being the only guy in a training academy filled with military hardware and several battalions of highly competitive and extremely boy-crazed teenage girls. And being caught in a five-girl crossfire between his obsessive childhood friends Lingyin and Houki and the even more zealous British, German and French pilots Cecilia, Laura and Charlotte, at least turned out to be survivable. But surely, Ichika's finally put all his female troubles behind him, right? Don't be ridiculous! None of the femmes fatales in his life have canceled their conquest scenarios; there's double trouble arriving in the form of the Sarashiki sisters; the rest of the school is still waiting in line to take their shot; and when a whole new set of female pilots working for the bad guys shows up with a new generation of stolen IS hardware, things are about to get utterly lethal! ### LOVE CHUNIBYO & OTHER DELSUSIONS: THE COLLECTED EDITION

*From Sentai Filmworks.* Yuta has a problem. As one of the thousands of Japanese students afflicted with "chunibyo" — a state where they're so desperate to stand out that they've literally convinced themselves that they have secret knowledge and hidden powers — Yuta spent most of his middle school years living in a complete fantasy world. But that's not his major problem now. No, his big problem is the girl he first encounters climbing on his balcony. Because it seems that his own efforts to rid himself of his chunibyo have attracted the attentions of another sufferer, and she's decided that this makes him her soul mate. And since Rikka's just moved in upstairs, now he's being sucked into her fantasy world! Combo Pack includes both Blu-Ray and DVD formats. (STK659983) (C: 0-1-1)

### HIIRO NO KAKERA: THE TAMAYORI PRINCESS SAGA: THE COMPLETE COLLECTION

*From Sentai Filmworks.* High school is hard enough without the fact of being a first-year transfer student. Not to mention the fact that you're the Tamayori Princess successor who is supposed to fulfill a destiny you're completely unaware of; that doesn't seem like too much to bear! But that's exactly where we find Tamaki Kasuga when she is asked to come live in the country with her grandmother. Things start to get weird when mysterious dark forces and a gang of misfits called the Logos come after her. Luckily for Tamaki, she is suddenly surrounded by five handsome young men that come to her rescue and now act as her guardians! Because being a princess isn't easy, and she'll need all the help she can get! (STK659988) (C: 0-1-1)

### OKAMIKAKUSHI: MASQUE OF THE WOLF

*From Sentai Filmworks.* From the moment Hiroshi and his family arrive in Joga, he senses something odd about the isolated village. It's not that the people are cold and aloof. Except for his beautiful class president, Nemuru, most welcome him quite warmly. But some also simply disappear. Students transfer out of his school without any notice, and Hiroshi's next door neighbor Isuzu, who seems quite infatuated with him, warns him to stay away from the old part of town. Could the legends of man-sized wolves roaming the mountains surrounding Joga be real? Who is the girl with the scythe? What is the real purpose of the festival? And how does this all revolve around something called a Temptation? Hiroshi and his new circle of friends have little time to solve these riddles before the answers will become far more dangerous and personal than he could ever imagine! (STK659996) (C. 0-1-1)

Queen's Blade

### QUEEN'S BLADE: BEAUTIFUL WARRIORS– THE COMPLETE COLLECTION

*From Sentai Filmworks.* The Queen's Blade tournament may be over, but the stories of the contestants have barely begun. Unaware that fate is already conspiring to pit many of them against each other in the arena of war, the sword maidens scatter across the lands in search of fame, fortune and adventure. For some that comes sooner than expected, as Leina finds herself drawn to aid her sister, Elina, who's been captured by Echidna. Tortured by the Swamp Witch, Melona focuses her anger on the absent Airi and plots an insidious revenge. And if that's not enough trouble to be forming on the horizon, Nanael manages to get herself banished from Heaven and her goal of forming a harem of servants for herself proves to be anything but angelic. Finally, to provide the beasts to go along with the beauties, both Alleyene and Nowa, and Tomoe and Aldra each find their separate journeys marred by encounters with different forms of tentacled monsters as naked blades and sticky situations collide! ### REIDEEN: THE COMPLETE SEASON ONE

*From Sentai Filmworks.* Although mathematically gifted, Junki Saiga is otherwise a typical high school student, whose archaeologist father disappeared during an expedition years ago. But recently his family learned that his father's remains have been discovered near Japan's pyramid, along with artifacts and notes from his research. While Junki is still reeling from the confirmation of his father's death, a meteor comes crashing from the sky carrying a foreign robotic life-form that immediately begins attacking anything and everything. And this sequence of strange events triggers a bracelet left from his father's research to activate and merge with an ancient robot hidden inside the pyramid: Reideen. There are those that want the robot's power for themselves, and still others who would see it and its pilot destroyed. Without the help of his nation, or even his friends, Junki must push himself to succeed in piloting Reideen against the aliens or watch the world perish! (STK660011) (C: 0-1-1)

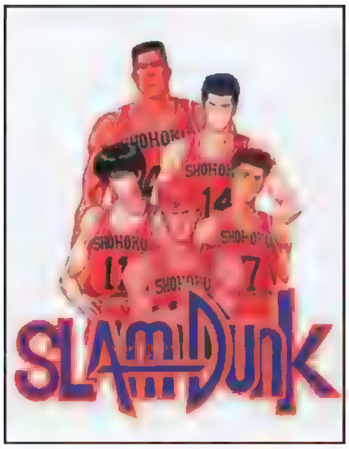
### SLAM DUNK SEASON ONE PART 1



*From Flatiron Film Co.* Hanamichi Sakuragi is a high school punk who hates basketball, mostly because the girls he likes always prefer basketball players to him. Things change, however, when he meets the cute and available Haruko Akagi. She loves basketball and thinks Hanamichi has the height and prowess to play. Hanamichi, quite willing to settle for collateral affection, immediately takes up the sport, never mind the fact that he doesn't know the rules, cannot dribble and is constitutionally unsuited to teamwork and sportsmanship. If playing basketball will get Haruko to look at him then he'll be a basketball star! However, a weird thing happens to Hanamichi while struggling to make the team and play the game: he kind of starts to like it! And what's more, he's getting good. (STK660082) (C: 0-1-1)

GAME OF THRONES
THE COMPLETE FOURTH SEASON
ALL MEN MUST DIE

### GAME OF THRONES: THE COMPLETE FOURTH SEASON

As *Game of Thrones'* fourth season begins, encouraged by the Red Wedding slaughter in the Riverlands that wiped out many of their Stark nemeses, the Lannisters' hold on the Iron Throne remains intact … but can they survive their own egos as well as new and ongoing threats from the south, north and east? While an unbowed Stannis Baratheon continues to rebuild his army in Dragonstone, a more immediate danger comes from the south, as Oberyn Martell, the Lannister-loathing "Red Viper of Dorne," arrives at King's Landing to attend Joffrey's wedding to Margaery Tyrell, and perhaps act on an ulterior agenda. In the north, a depleted Night's Watch seems overmatched against the inexorable Wall advances of Mance Rayder's army of wildlings, which in turn is being trailed by an even more formidable foe: the undead White Walkers. If that's not enough, Daenerys Targaryen, accompanied by her fierce trio of dragons and Unsullied army, is poised to "liberate" Meereen, the largest Slaver City in the east, which could provide her with an imposing force to execute her ultimate plan: to sail to Westeros and reclaim the Iron Throne the Lannisters usurped from her family. The Blu-ray release of *Game of Thrones: The Complete Fourth Season* features 1080p video and DTS-HD Master Audio 5.1 surround, and comes packed with exclusive new bonus content including roundtable discussions, on-set interviews, audio commentaries, and brand new animated histories giving fans hours of extensive, never-before-seen material! ## HORROR

**A DARK PLACE INSIDE: THE EVIL WITHIN**
*From Bayview Entertainment.* Beneath the surface of humanity many of us are nervous and afraid, afraid because we know that we are expected to act in accordance with a placebo world, one that does not truly exist. We are expected to portray, uphold and obey an illusion of civilization that does not resemble the world in which we actually traffic. Andy Phillips is one of many who cannot cope with that "reality." He has to shut out a world that in essence is mad, a world where we deny our true will and the thoughts and desires of our conscious mind in order to find peace. There are many reasons why Andy, and others like him, kill and commit heinous acts of violence and desecration, a reason that stems fundamentally from the confusion and conflict within the collective soul of us all. Andy has a very dark place inside. (STK660251) (C: 0-1-1)

### DARK MOUNTAIN

*From Dark Mountain.* Somewhere deep within Arizona's Superstition Mountains lies the most famous lost gold mine in the world — the Lost Dutchman Mine. Its estimated worth is around 200 million dollars. Since the turn of the 20th-century, thousands of people have scoured the mountains in search of it, hundreds have lost their lives in the process, but not one has returned with an ounce of gold. Legend has it the mine is cursed. In March of 2011, three Los Angeles filmmakers set out to find the mine and document their entire search. They never made it out of the Superstitions. Eight months later, their camera and cell phones were recovered along the western edge of LaBarge Canyon. No sign of the filmmakers themselves has been found to date. *Dark Mountain* is the chilling reconstruction of their last days. (STK659918) (C: 0-1-1)

### TRUE BLOOD: THE COMPLETE SERIES

*From HBO Home Video.* Thanks to a Japanese scientist's invention of synthetic blood, vampires have progressed from legendary monsters to fellow citizens overnight. And while humans have been safely removed from the menu, many remain apprehensive about these creatures "coming out of the coffin." In the small Louisiana town of Bon Temps, local waitress Sookie Stackhouse is open-minded about the integration of vampires — particularly when it comes to Bill Compton (Stephen Moyer), a handsome 173-year-old living up the road. But at the service of Bill's less virtuous vampire associates, Sookie is drawn into a series of catastrophes that will put their love to the test. *True Blood: The Complete Series* is presented in 1080p with DTS-HD Master Audio 5.1 surround. The 33-disc set includes all 80 episodes of the series, including all of the extras from the individual season sets among them 40 audio commentaries, behind-the-scenes featurettes, a Snoop Dogg music video, fake ads, a Digital HD Copy of the entire series, and more! # MARCH BOOK TWO

Continued From Page 373

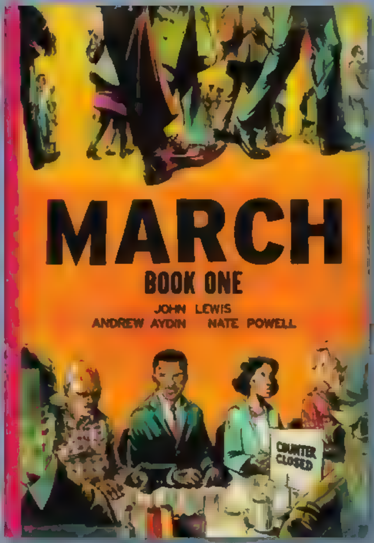
***P: How did working on the second volume differ from the first? Did you learn anything from* Book One *that helped with* Book Two*?***

**ANDREW:** Originally, Congressman Lewis and I wrote the script for *March* as a single graphic novel, before we knew Nate would be the artist. Once he came on board, and we collectively decided to split it up into three books, we all learned a lot about working together. Nate is so good at showing the emotional meaning of a scene — he's really one of the best cartoonists of his generation. In his hands we're able to step back and "show" rather than "tell." At the same time, going on tour and seeing the overwhelming reaction from students and teachers and librarians and readers, has made us aware of how high the stakes are.

**NATE:** I could tell how much our collaborative method had found its stride within just a few pages of breaking down the script for **Book Two**. After getting to know each other on **Book One**, we were able to come out of the gate swinging with the second, and that gave some much-needed room to allow for all the other considerations that go into the visual process for this story. I certainly had a better sense for the kinds of daily research and reference I'd have to do, the degree of double-checking along the way, and a sense of when some issues would give us problems down the road. Overall it's been a much more natural and efficient process.

***P: What kind of challenges did you face (or felt) depicting these major points in history? Did you feel an extra pressure to "get it right"?***

**ANDREW:** The Southern Poverty Law Center recently issued a report saying that 47 out of 50 states are failing to adequately teach the Civil Rights Movement in schools. And more and more, we're seeing schools and libraries reaching for **March** to help make that connection. And we're hearing that it's not only a book that students are required to read, but that they actually want to read. For a lot of readers, this may be their first encounter with this history. So you can't help but feel the pressure to get it right, both to do justice to the veterans of the Movement and their tremendous sacrifices, and also to the next generation who pick up these books hoping to learn and be inspired.



**NATE:** I did a lot of the work on **Book One** with my usual perspective that I should never consider a potential audience for the stories I tell, as I generally feel it clouds and hinders a creator's ability to make powerful, intimate work. Really, we had no way of anticipating that the reception to **Book One** would have been as phenomenal as it's been, or that it's woven itself into a much larger social discourse-- and along the way, seeing the real effects of that, meeting all these teachers and librarians and, most importantly, people under 25 who might not have an immediate personal connection to the events-- has made me question a lot of my assumptions about audience and readership consideration. It's been a challenge in the best way.

***P: Book Two covers a lot of ground. What kind of research did you have to do for this volume? Was it more or less difficult than for* Book One*?***

**ANDREW:** We have been incredibly lucky to have John Lewis as our guide. He has the best memory of anyone I've ever met, and he is so good at painting a picture of what was happening. We have also received a great deal of support from photographers who covered many of these moments and have been willing to share their work as reference. This movement was well aware of the power of the press, so a lot of their actions are very well documented, both in mainstream media and in internal publications like SNCC's *The Student Voice*.

**NATE:** The level of research and reference has definitely increased, especially when we discover inaccuracies or contradictions in other sources and have to navigate those. There are also so many more recognizable figures in this book, and it's a challenge to keep track of everyone's whereabouts, particularly in the chaos of the Freedom Rides. I actually had to make what resembled a little D&D character sheet to manage who was on what bus at what time, based on which folks were depicted in the book (even if they didn't have any "speaking parts"). I didn't go way over the top with it, but those issues of consistency are what allow the reader to stay in the pocket of the story without being disoriented or jarred.

***P: When you began this project, did you think it would take off the way it has? Were you prepared for what you were getting into?***

**ANDREW:** This whole process has been unlike anything I've ever experienced before. You know, for a 24-year-old kid who didn't know any better, to ask his boss to write a graphic novel about his life in the civil rights movement, takes a certain kind of something. I didn't even know if he would say yes. But I did believe we had a chance to create something meaningful — and I came to believe that even more deeply as I researched the *Martin Luther King and the Montgomery Story* comic book and learned about all that it had accomplished.

But I definitely never thought I'd get a phone call from Ethel Kennedy, much less one telling us we were the first graphic novel to receive a Robert F. Kennedy Book Award.

**NATE:** None of us were prepared, that's for sure, and we've each had to adapt our usual way of doing things in accordance-- that goes all the way to the folks at Top Shelf working to support the book and coordinate our creative process. We're constantly learning and adapting.

***P: How does it feel to have* March Book One *be assigned reading for three colleges?***

**REP. LEWIS:** I feel more than lucky, I feel really blessed. We were invited to speak at Michigan State, Georgia State, and Marquette University, and all of their freshmen had read the book. It was really moving to meet these young people and talk to them, to see them inspired by the book to go out and do something.

**ANDREW:** One of the big lessons that I think anyone can take away from John Lewis's story is that young people can be powerful. They don't have the same obligations, like a mortgage or a career or a family. They can be the most free members of our society, the ones most able to fully dedicate themselves to achieving social change. But change only happens if you're dedicated and disciplined, if you study the tactics that have worked successfully before. Hopefully with **March** we're giving them the tools to begin that process.

**NATE:** When Congressman Lewis spoke at Michigan State's welcome assembly in August, it was surreal to look across this stadium of 8,000 freshmen plus their families delivering a spontaneous standing ovation, and realize in that moment that almost all of them had read this graphic novel.

***P: You did a lot of touring and made a lot of appearances to support Book One. What kind of plans do you have for Book Two?***

**REP. LEWIS:** We've been traveling all over... and we're gonna keep going. I would love to go to Comic-Con again. We've gotten so many invitations to come and speak about the book, to schools and libraries and festivals. We're going to accept as many as we can.

***P: Was it difficult to balance promoting the first book and making the second (along with all your other job/life aspects)?***

**ANDREW:** It was incredibly difficult, but that's what it takes to do something like this. I'm very lucky to be working with such a talented group of people that are all working hard so I was just trying to carry my weight. So many people have been supportive. I never thought I'd get to do a signing at Midtown Comics in New York or Politics & Prose in DC, these amazing retailers where I'd been going for years. And getting to go to these conventions and be welcomed as a guest was such an unbelievable experience.

We were lucky enough to get to do several events for **Book One** with the three of us as a team, but recently Nate's needed to stay home and focus on drawing **Book Two**, so the Congressman and I have had to go out without him. We're really looking forward to "getting the band back together" and hitting the road again with **Book Two**.

**NATE:** Yeah, it's definitely been a challenge. I'm a pretty fast artist, but all the other steps and considerations that go into the creative and research processes, along with raising a toddler, moving into a new house, taking care of old sick pets, and touring whenever I can have made **Book Two** absolutely the tightest deadline I've ever worked under. And the process has certainly pushed us all to the limits of what's possible, time-wise. This is more intense than almost anything I've ever done, and it's a work/tour/life balance that needs to be maintained for *five years*. Absolutely crazy.

***P: As the events of this past summer showed, it seems that the work that began with the Civil Rights movement is still not finished. Has this changed the way you feel about working on this series, or the goals you have for it?***

**REP. LEWIS:** I have said on more than one occasion that we are too quiet in this country. When you see something that is not right, that is not fair, that is not just, you have an obligation and a responsibility to speak up, and speak out. We all could do a little more marching. To paraphrase something Dr. King once said, there is no sound more powerful than the marching feet of a determined people. This book **March** is not just my story, it's the story of so many of us who stood up and spoke out, who studied the philosophy and the discipline of nonviolence, who organized and made ourselves impossible to ignore. It is my hope that a new generation can read it and be inspired to march again.

JEAN-CLAUDE FOREST
BARBARELLA
AND THE WRATH OF THE MINUTE-EATER
ADAPTED BY KELLY SUE DECONNICK
HUMANOIDS

## BARBARELLA AND THE WRATH OF THE MINUTE-EATER HC

**Humanoids**

I love Barbarella! There, I said it. It's true but probably not for the reasons you imagine. Of course we can't forget Jane Fonda as the live-action incarnation; the poster-child for the sexual revolution of the early 1970's, but the truth about the character itself is much more than what we see on screen. In fact, we wouldn't have the cult-classic film -- and Fonda's legendary role -- without Jean-Claude Forest and his French comic book that jump started more than just our libidos.

If you thought the film was strange and "out-there" then the comic will offer a whole new degree of bonkers for your eyes. You'll see some familiar faces like Pygar and some new faces you could never imagine, all while sometimes forgetting that a comic book this daring and outrageous is over forty years old!

So why do I love Barbarella? Like the movie adaptation, Jean-Claude's original comic series came out to the public as a unique and daring project that challenged the fear of criticism and censorship of its content. Barbarella herself is an explorer, unconcerned with the boundaries of planets and space as she continues to meet new species and new cultures while she's unafraid to reveal her own. Barbarella has never been afraid to speak her mind or apologize for her freedom of thought no matter how outrageous it may seem to others and that's what really resonates. In our current environment, we all live among "aliens" in our own backyard with a multitude of cultures, beliefs, and preferences. On the surface, Barabella may seem like just a centerfold in a form-fitting space suit but, what she really stands for is liberty of thought and action. Challenging the censors and breaking taboos in comics aren't all that unusual these days, but Barbarella did it first and she did it best, all while wearing next to nothing. And not all of us can pull that off.

## BURNING FIELDS

**BOOM! Studios**

Amongst the towering ominous metal oil derricks of modern-day Iraq gruesomely maimed bodies begin to turn up. These are not just your typical murders, though. These bodies are unnaturally mutilated and to Iraqi Special Investigator Aban Fasad show signs of a deep-rooted evil power. But this isn't your average oil derrick, either. Operated by the shadowy American company known simply as Verge, something else seems afoot. You get the feeling that this company may be hiding something, may have a track record for less-than-sincere, undisclosed operations. And this is what brings Chicago P.D. Detective Dana Atkinson and former U.S. Marine Sergeant Nelson Kendrick back together and back to Iraq to investigate this string of grotesque killings.

BOOM's newest series, *Burning Fields*, is the essence of crime scene investigation with a supernatural twist. It's *X-Files* meets *Se7en*, and for any fan of the crime procedural, supernatural conspiracy theory, or serial killer investigation this will undoubtedly be a comic for you! Writers Michael Moreci and Tim Daniel and artist Colin Lorimer (*Curse*) do a fantastic job of rooting the supernatural elements in events taking place today and with that *Burning Fields* promises to bring smart, eerie, (and slightly grisly) entertainment!

WILD BLUE YONDER

## WILD BLUE YONDER TP

**IDW Publishing**

*Wild Blue Yonder* was a series that took me by surprise and instantly became an IDW title that I had to read with each release. The series gives us a glimpse of what could happen in a reality where humanity has abused the earth so thoroughly that the surface is poisoned to the point that we have been forced to move our civilization to the skies. Living on the surface is a death sentence.

The lucky few in the sky living in airships may be safe from the poisonous planet surface but are now locked in life and death struggle for any remaining resources they can get their hands on. Food, fuel, bullets, and just about everything else are in such short supply that any living person could be forced to commit atrocities to survive and protect the ones they love on a daily basis or risk plummeting to the Earth and death.

The protagonist Cola is an ace pilot and Tugg, her gunner, is learning to be a merciless fighter with a jetpack and an axe. Together with their fellow crewmates on the *Dawn*, an airship kept aloft by renewable energy negating their need for fuel, they keep the *Dawn* safe from others who would seek to steal it to save their own hides.

If you missed out on the individual issues then pick up the *Wild Blue Yonder* collected trade paperback to see if Cola and Tugg can defend the *Dawn* to fly another day.

## JACO THE GALACTIC PATROLMAN

**Viz Media**

Have you felt emptiness in your heart with the absence of *Dragon Ball*? Have you been anxiously awaiting acclaimed creator Akira Toriyama's new work? Are you a fan of quirky buddy comedies? If the answer to any of these questions is yes, then *Jaco the Galactic Patrolman* is what you have been waiting for!

*Jaco the Galactic Patrolman*, the manga miniseries written and illustrated by famed *Dragon Ball* creator Akira Toriyama, is collected in English for the first time. Omori, a scientist researching and developing the early stages of time travel, lives a quiet life as the only resident on an island devoted to his studies. The peacefulness ends abruptly with the arrival of Jaco, a righteous intergalactic police officer, whose presence on Earth is needed to prevent an impending alien threat.

Striking a deal with one another, Omori must assist Jaco in restoring his ship. As they venture onto the mainland for spare parts, things take a wild turn, and hilarity ensues. The main story contains plenty of Easter eggs to be found by the *Dragon Ball* faithful, yet *Jaco the Galactic Patrolman* is a complete story that is easily accessible to any new reader.

In addition to a wonderful, heartwarming story of friendship, this collection also includes *Dragon Ball Minus*, the story that finally answers, "Who was Goku's mother?"

Tying in quite nicely with the overall *Dragon Ball* epic, *Jaco the Galactic Patrolman* is an absolute must have for any fan of the manga or television show.

## NORMAN GN

**Titan Comics**

Nothing is sacred! French creator Stan Silas mocks all the things: poor people, rich people, stupid kids, lousy adults, alcoholics, absent parents, useless school systems, and, most of all, scary movies. And he did his homework first. *Norman* is a ridiculous, laughing love-letter to American horror films overflowing with movie Easter eggs and lampooned tropes. Imagine the cutest and entirely murderous Dennis *the Menace*, sprinkle in *Calvin-and-Hobbes*-level ludicrous over-reactions and goofy faces, mix in a deeply embittered collection of child-rejects from a *Peanuts* cartoon, and have the whole shebang "supervised" by the adults from *Married with Children*. Now you've got a good handle on *Norman*.

Little Norman toddles happily through life, gleefully murdering his classmates with the imaginary encouragement the darling devil that whispers in his left ear. His teacher would report the disappearing children to the police, but she's certain that her secret lover/sugar-daddy (and father of one of the murdered tots) is the actual culprit. Scared for her life and drunk off her gourd, teacher is perhaps not the authority figure the children require. Since they're effectively left to their own devises, the kids haphazardly investigate the disappearances on their own, and trigger further slaughter (and laughter!) as Norman rushes to cover his cartoonishly obvious tracks.

Grab your hockey mask and beware of twins in hallways. This adorable, horrible, utterly incorrigible tiny-tot-terror will leave you in stitches!
